In January 2003, the three components for capacity charges (connection, annex, and storage) were combined into one charge (612-2560.46860) in order to improve administration and reduce the complexity of capacity charge development and implementation. Sewer connection fees are reported in 622-2570.46810. Water Storage Fees, Water Service District Annexation Fees and Water and Sewer Connection Fees shall automatically adjust in each succeeding year in accordance with the "Engineering News Record Cost of Construction Index".
