

“COFFEE WITH THE COPS”

Come join Antioch Police Lieutenant Leonard Orman on Saturday, February 6th from 9:00-11:00 A.M. in a casual setting to receive information about our crime statistics, clearance rates and our District Attorney case filing criteria. Open communication about community issues is encouraged. The location for this casual “Coffee with the Cops” workshop will be held in the Antioch Police Department Community Room located at 300 L Street. Members of the Antioch Crime Prevention Commission will be in attendance, and make themselves available to answer questions with a focus on enhancing Neighborhood Watch programs for Antioch residents.

The “Coffee with the Cops” concept is a pilot program implemented by the Antioch Police Department in an effort to improve communication between the Police Department and the citizens they serve. These meetings will consist of a “one-on-one” type format with a member of the police command staff and members of the community. The format of these meetings has been designed to be informative.

The Antioch Police Department is dedicated to promoting the quality of life in Antioch in partnership with our community, by proactively reducing crime with integrity and commitment to excellence.
