

WE CARE NEIGHBORHOOD CLEAN UP

OUR COMMUNITY LETS MAKE A DIFFERENCE !

The Antioch Police Department is excited to announce the **96th** installment of the Neighborhood Cleanup Program. This is a collaborative community effort which involves active participation from The Antioch Police Department Crime Prevention Commission; Neighborhood Watch Program; Volunteers in Police Service; community volunteers and the Public Works Department.

Collectively, “**We**”, everyone who works and lives in the City Antioch, can make a difference and improve the quality of life. It’s our community and it’s our chance to make a difference.

The City of Antioch Neighborhood Cleanup program is not just for residential neighborhoods. It is a program that will change venues on a monthly basis and it will include business and commercial areas as well. Neighborhoods that are free of trash and refuse are inviting, and a clean community instills a sense of community pride.

The **96th** Neighborhood Cleanup event will occur on **Saturday, February 2, 2019** **from 9:00 a.m. to 11:00 a.m.** We will be cleaning the neighborhood around Fremont Elementary School Area including F and G Streets and all the streets off of them from 11th Street down to 20th Street, including part of D Street. Volunteers should meet at the Fremont Elementary School parking lot, 1413 F Street. (See map)

Volunteers will receive instructions and the equipment necessary to accomplish the goal. The targeted area is within walking distance. Excluding inclement weather, future Neighborhood Cleanup events are scheduled for the first Saturday of every month and the locations will be announced in advance.

Remember, cleaning up your neighborhood can make life better for your family, your neighbors and your community!
