The definition of "rental dwelling unit" applies to any dwelling space that is actually used or available for residential purposes whether or not the residential use is legally permitted."

DISCUSSION

Mr. Beaudin received the following notifications for his rental property located at Grangnelli Avenue requesting compliance with Measure O (refer to Attachments F–J):

- MuniServices sent 1st letter along with a declaration of information and business license application.
- 07/29/15 MuniServices sent 2nd letter along with a declaration of information and business license application.

- 09/08/15 MuniServices sent 3rd letter along with a declaration of information and business license application.
- 10/07/15 MuniServices sent a FINAL NOTICE along with a declaration of information and business license application.
- 06/02/17 MuniServices sent a follow up Notice of Violation.

All letters mailed by MuniServices included an application with instructions to list <u>ALL</u> rental property addresses.

Per Antioch Municipal Code:

№§ 3-1.203 PENALTIES.

- (A) Unless otherwise specified by the terms of a particular license, taxes are due and payable within 30 days following expiration date of the license.
- (B) Any business license tax not paid when it becomes due and payable shall be delinquent and the following penalties added to it as follows:
- (1) Ten percent of the business license tax for a delinquency after 30 days from the expiration date;
- (2) Thirty percent of the business license tax for a delinquency of 60 days from the expiration date plus a new application fee as provided in § 3-1.120; and
- (3) Fifty percent of license tax for a delinquency of 90 days from the expiration date plus a new application fee as provided in § 3-1.120.
- (C) Failure to pay the business license tax is a violation of the Antioch Municipal Code and a public nuisance. The city may seek any remedies available to it for such violation and public nuisance.
- (D) Any business operating in violation of the Antioch Municipal Code or as a nuisance is subject to water service disconnection, subject to noticing requirements under the law. (Ord. 2082-C-S, passed 3-25-14)
 - Per State Statute of Limitation:

Section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return was filed with the IRS. Similarly, under 301.6501(a)-1(b) of the Tax Regulations no proceeding in court by the IRS without assessment for the collection of any tax can begin after the expiration of 3 years.

The final letter sent from MuniServices on June 2, 2017 contained the following statement (fifth and sixth paragraphs) notifying Mr. Beaudin that if compliance was not made, he could be subject to citation from the City:

Required correction: Within 15 calendar days from the date of this notice, you must contact MUNI Services, LLC by phone at 1-800-987-0999 or in person at 200 H Street, Antioch, CA and obtain a business license for the above property or file an appeal with the office of the City Clerk.

I hope you take this one-time opportunity to voluntarily abate the above violation(s) and public nuisance without the need for the City to issue Administrative Citations, which carry fines that range from \$100 to \$1,000 for every day the violation(s) are permitted to remain and/or take other action to compel your compliance.

Mr. Beaudin came to City Hall and spoke with Business License Representative Sonia Johnsen regarding the MuniServices letter received for his property on Grangnelli Avenue. She explained that he needed to comply with Measure O requirements which were \$250 per single family home, per year, or \$150 per unit, per year, for a multi-family dwelling. Mr. Beaudin said he would comply for the current 2017 year of billing for his property at ___ Grangnelli Avenue, not the two years prior (since the enactment of Measure O).

On July 28, 2017, our office conducted a search for additional properties with the County records and found two additional properties owned by Mr. Beaudin. The property addresses are E Street and Palo Verde Way. These properties were not disclosed on Mr. Beaudin's Business License Application. The following actions were taken by the City when Mr. Beaudin continued to fail to comply:

- <u>08/21/17</u> No compliance was received from Mr. Beaudin through MuniServices or the City of Antioch. A \$200 Administrative Citation was issued for each of his three properties listed above (<u>Attachment L</u>).
- 08/31/17 Mr. Beaudin came in and complied with Measure O (Attachment M).
- 08/31/17 Mr. Beaudin filed an appeal with the City Clerk's Office for the \$200 Administrative Citation No. 2167 issued on August 21, 2017 for the property on Grangnelli Avenue (Attachment N).

RECOMMENDATION:

It is Staff's recommendation to uphold the \$200 Administrative Citation No. 2167 issued on August 21, 2017 for violation of the Antioch Municipal Code Business License Required and Residential Landlord Business License Tax (Measure O).

Section 8. Impartial Analysis

Pursuant to California Elections Code Section 9280, the City Council hereby directs the City Clerk's Office to transmit a certified copy of the measure to the City Attorney. The City Attorney shall prepare an impartial Analysis of the measure, not to exceed 500 words in length, showing the effect of the measure on the existing law and the operation of the measure. Per the direction of Registrar of Voters, the impartial Analysis shall be transmitted to the City Clerk and Registrar of Voters by no later than 5:00 p.m. on Friday, August 15, 2014.

Section 9. Implementation.

The City Clerk's Office is directed to file with the Board of Supervisors certified copies of this resolution, with a copy to the Registrar of Voters of Contra Costa County, pursuant to California Elections Code section 10403.

Section 10. CEQA

The approval of this Resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The business license tax update to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action or actions. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific

project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the City would undertake the required CEQA review for that particular project. Therefore, under CEQA Guidelines section 15060 review under CEQA is not required.

Section 11. Passage of this Resolution.

This Resolution shall become effective immediately upon its passage and adoption.

I HEREBY CERTIFY that the foregoing resolution was passed and adopted by the City Council of the City of Antioch at a regular meeting thereof, held on the 24th day of June, 2014, by the following vote:

AYES:

Council Members Wilson, Rocha, Tiscareno, and Mayor Harper

NOES:

(C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

Any business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

Frequently Asked Questions about Measure O Residential Landlord and Business License Tax Update

Q: Why does Antioch need to update the Business License Tax?

A: Antioch continues to face a severe fiscal crisis due to very low revenues. We are among the poorest city governments in the County. With Measure C, our budgeted General Fund revenue for fiscal year 2014/15 is \$43,046,381. With a population of 106,455, that puts our per capita (per person) revenue at only \$404.36 (which means \$404 per year per resident to provide all services including Police, streets, parks, recreation, senior and youth programs, administration, etc). Compare this to our neighboring cities of Brentwood at \$817.35 and Pittsburg at \$555.84. Comparable sized cities Concord and Richmond are at \$681.68 and \$1255.75 - a General Fund three times as large as Antioch's.

Q: Why can't the City just cut costs?

- A: Since 2007, the City has taken severe actions to reduce costs and avoid bankruptcy, including:
 - Reducing staffing by 30% through layoffs, retirements and attrition.
 - Eliminating cost-of-living increases and decreasing management salaries 10%.
 - Implementing furloughs and closing City business offices on Fridays.
 - Reducing benefit payments by increasing employee contributions towards retirement costs and drastically reducing medical after retirement benefits for new employees.
 - Reducing other expenditures by cutting service, supply and equipment costs, and deferring vehicle, building and equipment maintenance.

Q: What about the Measure C (sales tax measure) funding?

- A: With approval of the 2014/15 budget, the City Council directed 100% of Measure C revenues toward the hiring of more Police Officers, which is well in progress, and augmenting Code Enforcement services. However, even with Measure C funds:
 - The General Fund revenue is still down \$4.2 million from the height in 2007. That is an 8.9% reduction.
 - Multi-million dollar budget deficits are projected starting in fiscal year 2016/17. At this pace, the City's reserves will be exhausted by June of 2019.
 - Measure C is only approved for seven (7) years, expiring in 2021, so sustainable, ongoing revenue needs to be identified.

Q: What is Measure O?

A: Measure O is an increase in the minimum Business License Tax and it will get **residential landlords to pay a tax based on the number of units rented**. In June, the City Council authorized placing a measure on the local November ballot to specifically add the business of renting or leasing of residential property as a business and subject to taxation.

Q: How much will landlords have to pay?

A: Residential landlords will pay \$250 per year for single family dwelling rentals (e.g. houses) and \$150 per year for multi-family rental units (e.g. apartments and condos).

Q: Are there exemptions from the new Business License Tax on Landlords?

A: Hotel/motel, hospital, convalescent, extended care (nursing) and residential care (assisted living) facilities are exempt from the proposed per unit fee. Non-profits continue to be exempt from the Business License Tax.

Q: How much will businesses have to pay?

A: The minimum annual Business License Tax will go from \$25, where it was in the 1960's, to \$100. The City Council heard the request of the Chamber of Commerce to not raise the tax on smaller home-based businesses, which will remain at \$25.

Q: How did Measure O come to be?

A: In 2013, a group of citizens requested that the City Council add the rental or leasing of residential property to the business license ordinance at a rate of \$240 per unit per year. The City Council decided to only bring one measure forward, and moved ahead with the sales tax ordinance (Measure C). However, the Council directed staff to work with the citizens group and the California Apartment Association to develop a measure for 2014. The citizens group agreed with the City's compromise proposal, but the Apartment Association did not.

Q: Why did the City Council put Measure O on the ballot?

A: In 2013 the City Council declared a Fiscal Emergency, and, although Measure C was successful, the City's approved budget still has projected budget deficits of over \$3,000,000 per year starting in FY 2016/17. The City Council felt that City services have already been cut to unacceptable levels and, given the temporary nature of Measure C funding and the projected multi-million dollar deficits, that having residential landlords pay a per unit Business License Tax was the best alternative to stabilize the City's finances.

The purpose of Measure O is to provide General Fund revenue to help eliminate the projected structural deficits and improve essential community services such as:

- Reopening City Hall, the Public Works office, and the Police Department lobby five (5) days a week.
- Further enhancing Police, Code Enforcement and blight elimination activities, such as graffiti and dumping abatement.
- Reinvesting in infrastructure and maintenance, such as streets, landscaping and buildings to improve the appearance of the community and increase property values.

Q: Can the City provide a full range of services without additional revenue?

A: No. Without additional revenue the City will be deficit spending by fiscal year 2015/16. This will require further cuts in expenditures, necessitating staffing reductions in General Fund departments, including the Police Department.

Q: How do we know these funds will be spent responsibly?

A: The City's finances are independently audited every year. City budgets are posted on the City web site. In addition, all City revenues are reported and discussed at public meetings during the annual budget process.

Q: Can these funds be taken by Sacramento?

A: No. By law, these are locally approved funds and <u>can only be used for local Antioch</u> <u>services</u>. Not a penny can be taken by the State or the County.

Q: When is the election?

A: Tuesday, November 4, 2014.

Q: How can I find out more factual information about Measure O?

A: For the full text of Measure O and the City Attorney's Impartial Analyses, visit www.ci.antioch.ca.us or call 779-7011 for more information.

CITY OF ANTIOCH, COUNCILMEMBER

LORI OGORCHOCK Local Business Woman

No mistaking, I'm passionate about Antioch! After graduating Antioch High, with Richard, my husband of 31 years, we raised our 3 children here. Later graduated LMC's Police Reserve Academy and was a former Walnut Creek Police Reserve Officer.

Twelve years ago I retired from CSAA to run my own Real Estate business. After work I give back to the community I love. I've sat on Sutter Elementary School Site Council, several boards for youth baseball, football, helped design and install City Park.

On Keller Williams leadership team, I organized civic events, planting community gardens and assisting Veterans. I'm the incoming Treasurer for the Delta Association of Realtors, future Director for California Association of Realtors, a Rotarian and the incoming Club Service Chair.

Antioch will flounder if it remains reactive. We must grab the bull by the horns with fearless leadership. Let me bring my candid, roll-up your sleeves approach to our City Council.

My Four Main Goals:

 Community Safety 1st! I will Insure Measure C funds are used as promised for police, plain and simple
 Revitalize Downtown; Our seniors deserve only the best treatment, building condos where there should be a park is just foolishness

Tax Business Reasonably; simplify taxes, be fair Economic Growth; safety and business friendly attitudes will stimulate our city and economy

"A" should stand for Antioch, not "Afraid". I am a successful business woman, a proven doer with common sense and spine. I can't bring results alone, though. I need your support!

LAWAR THORPE

Community College Administrator

In 1981, I was born in prison to a mother addicted to heroin. At two days old, I was placed in foster care and raised by a family who immigrated to the US from Mexico. As a result, my first language is Spanish. In 5th grade, I was placed in Special Education and subsequently graduated high school not knowing how to read and write. After two semesters in junior college, I was asked to leave because I was illiterate. With nowhere else to go, I enlisted in the

Today, I'm a proud 8 year Navy veteran, two time graduate of The George Washington University, higher education administrator, and member of the Antioch Economic Development Commission. I'm running for city council to create opportunities for our residents to build a more secure livelihood and a sense of dignity. I chose to raise my family in Antioch, but what I did not choose was violent crime, an 8% local unemployment rate, and an imbalance between jobs and housing.

Since the foreclosure crisis, many in Antioch have resorted to working two to three part-time jobs, often receiving low wages to keep their homes and put food on the table. As a councilmember, I will fight to advance policies that are going to:

Incentivize high paying job growth in manufacturing, research and development and biotechnology;

Build Antioch's police and code enforcement divisions; and,

Streamline government to foster a collaborative environment between business, labor and City Hall.

I humbly ask for your vote.

DIANE GIBSON-GRAY

Executive Director/Trustee

The city of Antioch is at a crisis point and good leadership requires experience. My business, community service, elected and appointed office experiences, combined with my lifetime knowledge of Antioch qualifies me to serve on the Antioch City

Below are my three top priorities:

- Quickly hire public safety employees and get additional "boots on the ground". Police officers, code enforcement and support staff must be hired now!
- Increase city services to the public by bringing back city employee's 40-hour work week.
- and Highway 160 connector ramps) makes Antioch an attractive development opportunity; now is the time for discussions with potential new business entities.

I have worked 28 years in the cable telecommunications industry, 10 years as a nonprofit Executive Director for the Arts & Cultural Foundation, and over 25+ years as an active community volunteer. am in my second term as a Trustee for the Antioch Unified School District. I currently serve on the Executive Board for the Antioch Chamber of Commerce and have been a Planning and Recreation Commissioner. I am a Rotarian and a Women's Club member and a 50+ year resident of Antioch.

The residents of Antioch deserve to live in a safe community, have access to public services and have smart growth that will feave a lasting positive legacy.

Elect a Council Member with experience, willing to make needed changes and ready to do the job today. Vote for Diane Gibson-Gray.

TONY G. TISCARENO

Appointed Antioch Councilmember

Last year, I was appointed to fill the vacancy on the Antioch City Council. I've resided in Antioch for 44 years. My wife, Olivia, and I raised our children here. It is my great honor to represent you. Antioch has many challenges to overcome to become the great city I know we can be. Getting a handle on crime being the most

Hiring More Police:

important:

We are aggressively recruiting EXPERIENCED police officers and training dozens more at the Police Academy. We are making progress, with the goal of getting 22 additional officers on the streets.

Fighting Gangs, Drugs and Illegal Weapons:

While we're hiring more officers, Antioch Police and the FBI are working overtime to PROACTIVELY take down criminals BEFORE they engage in violent behavior against citizens. I WHOLEHEARTEDLY SUPPORT THIS EFFORT.

Taking CRIME PREVENTION into Our Own Hands:

I'm proud of our residents who participate in monthly Antioch Police neighborhood cleanups; get involved in Neighborhood Watch (we have 480 "Block Captains"); even our garbage collectors and postal workers now CALL IN SUSPICIOUS NEIGHBORHOOD

Hiring more code enforcement officers to cite and fine negligent property owners, revitalizing RIVERTOWN, making City Hall more "business friendly", and attracting a great restaurant at Humphrey's are also priorities.

Today requires a new kind of Councilmember - one who is accessible 24/7. <u>Please call me anytime</u>. As your representative, I will continue to work hard to improve this great city. I would be honored to earn your vote.

LOCAL MEASURES SUBMITTED TO VOTERS

City of Antioch

MEASURE O CITY OF ANTIOCH

BUSINESS LICENSE TAX. To provide funding that cannot be selzed by the State, to maintain such general City services as police services, code enforcement, street repairs, senior services and youth programs, shall the City of Antioch adopt a residential landlord business license tax based on the type and number of units and confirm the existing gross receipts business license tax with an increased minimum tax, which is not a tax on the general public?

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE O

The City Council voted unanimously to put Measure O on the ballot to ask voters to:

- Confirm that the rental of real property (e.g. land or building) is a business subject to taxation;
- Impose an annual business license tax on residential landlords renting Antioch property at \$250 per detached, single-family dwelling unit (e.g. house) and \$150 per attached, multi-family dwelling unit (e.g. apartment); and
- Maintain existing business license taxes for all other businesses, but with an increase in the annual minimum tax to \$100 for businesses subject to the gross receipts tax formula, except for certain home occupation businesses for which the minimum tax remains \$25.

Applicability of Business License Taxes

Business license taxes are not taxes on the general public. Businesses operating in Antioch pay the tax to provide funding for municipal services in Antioch. These municipal services, like police, code enforcement, street repair, park and median landscaping and maintenance, benefit businesses and residences in Antioch.

Landlords of commercial properties already pay business license taxes based on the existing gross receipts formula. Likewise, their commercial tenants pay business license taxes. Historically, the majority of residential landlords (single-family and multi-family) have not paid a business license tax. The proposed per dwelling unit business license tax would replace the gross receipts business license tax that some apartment owners have paid.

Nonprofits -- including nonprofit senior housing -- are exempt from paying the existing business license tax and would be exempt from this proposed tax.

Business License Tax Formulas

Cities may use different formulas for taxing different kinds of businesses. This may include using flat dollar amounts for some businesses and a percentage of gross receipts for other kinds of businesses. Sometimes cities use a particular formula because it is more efficient method of tax collection.

The proposed tax on residential landlords would only apply to properties located in Antioch. This meets Constitutional requirements to be nondiscriminatory and apportioned so not to burden interstate commerce.

General Revenue for All City Services

The tax revenue would be deposited in the City's general fund. It could be used for any legal municipal purpose including: police and emergency response; code enforcement; local economic development and job creation; street repair; and any other City program or service.

Effect of Weasure O

Voting "Yes" on Measure O is a vote to: 1) confirm that the rental of property is a business subject to taxation; 2) impose an annual business license tax on residential landlords; and 3) maintain the existing business license taxes for all other businesses but with an increase to the minimum business license tax for businesses subject to the gross receipts formula, with some exceptions.

Voting "No" on Measure O is a vote against the tax on residential landlords and the increased minimum business license tax.

If a majority of voters vote "Yes" on Measure O, it passes. Respectfully submitted,

Lynn Tracy Nerland Antioch City Attorney

ARGUMENT IN FAVOR OF MEASURE O

The City of Antioch lacks the revenue to provide adequate levels of municipal services to the community. Suffering from staffing and operating expense cuts of 30% since 2007, all General Fund functions are significantly understaffed, including Police, Code Enforcement, Public Works, Planning, Building and administrative departments. As a result the police department, the public works office and City Hall are closed on Fridays.

Antioch does not have a spending problem. Antioch has a <u>revenue</u> problem. Low property values, low property tax revenue, and low sales tax revenue give Antioch much lower General Fund revenues than comparably sized cities in the County, at \$404.36 per resident (2014-15 budget). In comparison, Concord receives \$681.68 and Richmond, at \$1,255.75, receives more than triple the revenue of Antioch. Pittsburg and Brentwood receive \$555.84 and \$817.35 respectively.

A group of Antioch citizens started an initiative to adjust the Business License Tax for residential landlords to \$240 per unit per year. After months of negotiations between the California Apartment Association, the citizen's initiative leaders and the City, the City proposed a \$250 per unit annual charge for detached houses being rented and \$150 per unit for multi-family rental units. This will equate to \$20.83 per month for rental houses and \$12.50 a month for apartments - about one percent (.8% to 1.2%) of gross rent, which will be paid by landlords. The citizens agreed. The Apartment Association did not.

Many wealthy investors that purchased houses in Antioch have not been paying Business License Taxes. It's time they did. They are making millions in Antioch, while enjoying the tax advantages of real estate investment. Measure O will ensure they pay their fair share in Antioch. After all, all property owners will benefit greatly from the additional services the City will fund with this revenue.

Antioch City Council, Wade Harper, Mayor Hansel Hon Tao Ḥo, Former Crime Prevention Commissioner James Kenneth Gray Jr., Boardmember – East Contra Costa Transit Authority Donald P. Freitas, Former Mayor – City of Antioch Robin Agopian, Resident

ARGUMENT AGAINST MEASURE O

In June, the Contra Costa Times reported that the City of Antioch has a budget surplus according to the City's own Finance Director. But once again, the Antioch City Council is trying to increase taxes on its citizens.

And once again the City Council has proposed a tax measure that side-steps the two-thirds vote requirement, thus making it even easier to increase taxes without requiring the City to reveal how the money will be spent.

Last year, Antioch voters supported a massive tax increase – Measure C. The City Council claimed (falsely) that the money would be used to hire 22 new police officers. But the Contra Costa Times uncovered that Measure C money was never used to hire 22 new officers; and another news report stated that Antioch voters were "hoodwinked on the use of Measure C funds."

With Measure O, the City Council is trying to take advantage of the voters again!

- Many senior citizens will ultimately be paying for the Measure O tax.
- There are absolutely no guarantees how the Measure O money will be spent.
- Antioch's Finance Director said that the City has a budget surplus.

It is irresponsible for the City Council to raise taxes resulting in higher costs for senior citizens – many on fixed incomes and elderly – and least able to afford increased monthly payments.

The City Council should simply trust the voters and provide a detailed spending plan when asking for new taxes. But instead, the City Council is asking for another blank check, and using scare tactics to influence unsuspecting voters.

So if the City Council won't trust the voters, why should we trust the City Council with yet another tax increase? Please join senior citizens, home owners, and business owners in Voting NO on Measure O.

California Apartment Association, Contra Costa Division, Aaron Meadows, Board Member Lisa Alotte, Antioch Senior Citizen Scott MacIntyre, Antioch Realtor/Resident Perry Shusta, Antioch Resident/Business Owner Charles Caballero, Antioch Senior Citizen

AN ORDINANCE OF THE CITY OF ANTIOCH TO UPDATE THE EXISTING BUSINESS LICENSE TAX ORDINANCE TO INCLUDE A RESIDENTIAL LANDLORD BUSINESS LICENSE TAX AND TO CONFIRM THE EXISTING BUSINESS LICENSE TAX, WITH AN INCREASE IN THE MINIMUM TAX

The people of the City of Antioch do ordain as follows:

SECTION 1. BUSINESS LICENSING. The following sentence is added to the definition of "Business" in Section 3-1.102 of the Antioch Municipal Code:

"The rental or lease of real property is a Business subject to taxation under this chapter."

SECTION 2. RESIDENTIAL LANDLORD BUSINESS LICENSE TAX. The following provision is added to Chapter 1 of Title 3 of the Antioch Municipal Code to read as follows:

"Section 3-1.217 RESIDENTIAL LANDLORD

(A) In lieu of any other business license tax and subject to sub-section (B) below, all those in the business of renting living quarters, including but not limited to a rental dwelling unit as defined in Section 5-20.201 of the Antioch Municipal Code, shall pay the annual license amount indicated in the table immediately below based on the total number of units they are renting or have available for rent within the City of Antioch and the type of unit as defined in the Municipal Code:

Type Of Unit	Annual tax
Single family dwelling unit	\$250.00 per unit
Multi-family dwelling unit including duplexes, condominiums and apartments	\$150.00 per unit

(B) The following living quarters are excepted from this requirement to pay a business license tax based on dwelling units but still must pay the tax based on gross receipts: (i) those that fit within the definition of hospital, hotel, motel, and convalescent and extended care facility and residential care facility as defined in Section 9-5.203 of the Antioch Municipal Code; (ii) those that are exempt as a matter of law; and (iii) those that the Director of Financial Services reasonably determines to be substantially similar in nature to one of the excepted living quarters listed above.

(C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3, CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX ORDINANCE AND RATE. The business license tax provisions in Chapter 1 of Title 3 of the Antioch Municipal Code are hereby confirmed. Any

business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

From	То	Tax
\$0.00	\$20,000.00	\$100.00 (except for non-Professional Home Occupation businesses which shall pay \$25.00)
\$20,001.00	\$1,000,000.00	\$1.25 / \$1,000.00 of gross receipts
\$1,000,001.00 & above		\$1,250.00 plus 20 ¢ / thousand dollars of gross receipts over \$1,000,000.00

SECTION 4. AMENDMENT. This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment.

Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

SECTION 9. CERTIFICATION: PUBLICATION.

Upon approval by the voters, the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause it to be published according to law.

Ordinance No. ___ was submitted to the People of the City of Antioch at the November 4, 2014 municipal election. It is hereby certified that this Ordinance was **APPROVED** by the following vote of the People of Antioch:

YES: NO:

This Ordinance was thereby adopted by the voters at the November 4, 2014 election and took effect 10 days following adoption of a resolution declaring the results of the election at a regular meeting of the City Council held on ______ by the following vote:

AYES: NOES: ABSENT:

I hereby certify that the foregoing is a true and correct copy of an ordinance duly and regularly adopted by the People of the City of Antioch, California.

CIUDAD DE ANTIOCH, MIEMBRO DEL CONCEJO MUNICIPAL

LORI OGORCHOCK

Empresaria Local

¡No cabe ninguna duda, me apasiona Antioch! Luego de graduarme en Antioch High, con Richard, mi esposo hace 31 años, criamos a nuestros 3 hijos aquí. Luego me gradué en la Academia de Reserva de la Policía de LMC y fui ex Agente de Policía de Reserva de Walnut Creek.

Doce años atrás me retiré de CSAA para dirigir mi propio negocio de Bienes Raíces. Luego del trabajo le retribuyo a la comunidad que amo. Presidi el Consejo Escolar de la Escuela Primaria Sutter, varias juntas de béisbol juvenil, fútbol, ayudé a diseñar e instalar el Parque Municipal.

En el equipo de liderazgo de Keller Williams, organicé eventos cívicos, plantando jardines comunitarios y asistiendo a los Veteranos. Soy la Tesorera entrante de la Asociación de Agentes Inmobillarios del Delta, futura Directora de la Asociación de Agentes Inmobiliarios de California, una Rotaria y la Presidenta entrante del comité Club Service.

Antioch fracasará si sigue inactiva. Debemos tomar al toro por las astas con un liderazgo valiente. Déjeme traer mi enfoque cándido de arremangarse las mangas a nuestro Concejo Municipal.

Mis Cuatro Metas Principales:

1. ¡La Seguridad de la Comunidad 1^{re}] Aseguraré que los fondos de la Medida C sean utilizados según lo prometido para la policía, lisa y llanamente

2. <u>Revitalizar el Centro Urbano:</u> Nuestros ciudadanos mayores merecen solo el mejor tratamiento, construir condominios donde debería haber un parque es simplemente una tontería

3. <u>Gravar a los Negocios Razonablemente;</u> simplificar los impuestos, ser justos

4. Crecimiento. Económico: las actitudes favoreciendo la

<u>Crecimiento Económico:</u> las actitudes favoreciendo la seguridad y los negocios estimularán nuestra ciudad y economía

"A" debería ser por Antioch, no por "Asustado". Soy una empresaria exitosa, una hacedora comprobada con sentido común y fuerza de voluntad.

No obstante, no puedo traer resultados yo sola. ¡Necesito su apoyo!

LAMAR THORPE

Administrador de Colegio Comunitario

En 1981, naci en prisión por una madre adicta a la heroína. A los dos días de vida, fui colocado en el cuidado de acoglda y criado por una familia de inmigrantes de México a EE. UU. Como resultado, mi primer idioma es el español. En 5° grado, fui colocado en Educación Especial y subsiguientemente me gradué en la escuela secundaria sin saber leer y escribir. Luego de dos semestres en la universidad menor, me pidieron que me retirara porque era analfabeto. Sin tener a dónde ir, me enlisté en la Marina de los EE. UU.

Hoy, soy un orgulloso veterano de la Marina de 8 años, graduado dos veces en la Universidad The George Washington, graduado dos veces en la Universidad The George Washington, administrador de educación superior, y miembro de la Comisión de Desarrollo Económico de Antioch. Me postulo para el concejo municipal para crear oportunidades para que nuestros residentes construyan un sustento más seguro y un sentido de la dignidad. Elegí criar a mi familia en Antioch, pero lo que no elegí fue el delito violento, una tasa de desempleo local del 8%, y un desequilibrio parte les ampleses y la visidando. entre los empleos y la vivienda.

Desde la crisis de las ejecuciones hipotecarias, muchos en Antioch han recurrido a tener de dos a tres empleos de medio tiempo, recibiêndo a menudo bajos salarios para mantener sus hogares y llevar comida a la mesa. Como concejal, lucharé para promover políticas que:

Incentivarán el crecimiento de los empleos bien remunerados en manufactura, investigación y desarrollo y biotecnología;

Construirán las divisiones de policía y cumplimiento de códigos de Antioch; y, Simplificarán al gobierno para fomentar un entorno colaborador entre los negocios, la mano de obra y el Ayuntamiento. Le pido humildemente su voto,

DIANE GIBSON-GRAY

Directora Ejecutiva/Fidelcomisaria

La ciudad de Antioch está en un punto de crisis y el buen liderazgo requiere experiencia. Mis experiencias en negocios, servicio comunitario, cargos electos y designados por nombramiento, combinadas con mi conocimiento de toda la vida de Antioch me califica para desempeñarme en el Concejo Municipal de Antioch. Abajo están mis tres principales prioridades:

1. Contratar rápidamente empleados de seguridad pública y obtener "botas en el campo" adicionales. ¡Los agentes de policía, el personal de cumplimiento de códigos y de apoyo deben ser contratados ahora!

2. Aumentar los servicios municipales al pueblo devolviendo la semana laboral de 40 horas a los empleados municipales.

3. Mejorar los transportes (ampliación de las rampas conectoras de la Carretera 4, el E-Bart y la Carretera 160) hace de Antioch una atractiva oportunidad de desarrollo; ahora es el momento de las discusiones con las potenciales entidades

momento de las discusiones con las potenciales entidades comerciales nuevas. He trabajado 28 años en la industria de telecomunicaciones por cable, 10 años como Directora Ejecutiva de la Fundación de Arte y Cultura sin fines de lucro, y más de 25 años como voluntaria de la comunidad activa. Estoy en mi segundo mandato como Fideicomisaria del Distrito Escolar Unificado de Antioch, actualmente me desempeño en la Junta Ejecutiva de la Cámara de Comercio de Antioch y he sido Comisionada de Planificación de Comercio de Antioch y he sido Comisiónada de Planificación y Recreación. Soy una Rotaria y miembro del Club de Mujeres y residente hace más de 50 años de Antioch.

Los residentes de Antioch merecen vivir en una comunidad segura, tener acceso a los servicios públicos y tener un crecimiento inteligente que deje un legado positivo duradero.

Elija una Concejala con experiencia, con voluntad de hacer los cambios necesarios y preparada para hacer el trabajo hoy. Vote por Diane Gibson-Gray.

TONY G. TISCARENO

Concejal Designado de Antioch

El año pasado, fui designado para ocupar la vacante en el Concejo Municipal de Antioch. Hace 44 años que resido en Antioch. Mi esposa, Olivia, y yo criamos a nuestros hijos aquí. Es mi gran honor representario.

Antioch tiene muchos desafíos que superar para convertirse en la gran cludad que sé que podemos ser. Lo más importante es lidiar con la delincuencia:

Contratar Más Policías: Estamos reclutando activamente agentes de policía EXPERIMENTADOS y capacitando a docenas más en la Academia de Policía. Estamos progresando, con la meta de tener 22 agentes adicionales en las calles.

Combatir las Pandillas, Drogas y Armas Ilegales: Si bien estamos contratando más agentes policiales, la Policía de Antioch y el FBI están trabajando horas extras para desmantelar PROACTIVAMENTE a los delincuentes ANTES de que participen en comportamientos violentos en contra de los ciudadanos. APOYO ESTE ESFUERZO CON TODO EL CORAZÓN.

<u>Llevar la PREVENCIÓN DE DELITOS a Nuestras Proplas</u> <u>Manos</u>: Estoy orgulloso de nuestros residentes que participan en las limpiezas vecinales mensuales de la Policía de Antioch; participan de la Vigilancia Vecinal (tenemos 480 "Capitanes de Cuadra"); incluso nuestros recolectores de basura y trabajadores del correo ahora LLAMANANTE ACTIVIDADES SOSPECHOSAS EN EL VECINDARIO

Contratar más agentes del orden para citar y multar a los propietarios negligentes, revitalizar RIVERTOWN, hacer al Ayuntamiento más "favorable para los negocios", y atraer un gran restaurante en Humphrey's – son prioridades también.

El hoy requiere un nuevo tipo de Concejal – uno que sea accesible 24/7. Por favor, llámeme en cualquier momento. Como su representante, seguiré trabajando duro para mejorar esta gran ciudad. Me sentiría honrado de obtener con su voto.

MEDIDAS LOCALES PRESENTADAS A LOS VOTANTES

Ciudad de Antioch

MEDIDA O DE LA CIUDAD DE ANTIOCH

IMPUESTO A LA LICENCIA COMERCIAL. Para brindar financiamiento que no pueda ser apoderado por el Estado, para mantener los servicios Municipales generales tales como los servicios policiales, el cumplimiento de los códigos, las reparaciones de calles, los servicios para ciudadanos mayores y los programas para jóvenes, ¿deberá la Ciudad de Antioch adoptar un impuesto a la licencia comercial sobre las propiedades residenciales basado en el tipo y la cantidad de unidades y confirmar los ingresos brutos del impuesto a la licencia comercial existente con un impuesto mínimo mayor, que no es un impuesto aplicado al pueblo en general

ANALISIS IMPARCIAL DE LA MEDIDA O POR EL ABOGADO DE LA CIUDAD

El Concejo Municipal votó unánimemente para colocar la Medida O en la balota para pedir a los votantes que:

- Confirmen que el alquiler de una propiedad inmueble (por ej.; un terreno o una construcción) es un negocio sujeto a gravamen;
- Apliquen un impuesto anual a las licencias comerciales sobre los propietarios residenciales que alquilen propiedades en Antioch a \$250 por unidad de vivienda unifamiliar independiente (por ej. una casa) y \$150 por unidad de vivienda multifamiliar conjunta (por ej.: un departamento); y
- Mantengan el impuesto a las licencias comerciales existente para todos los demás negocios, pero con un aumento en el impuesto mínimo anual de \$100 para los negocios sujetos a la fórmula impositiva de los ingresos brutos, excepto algunos negocios de alojamiento por los cuales el impuesto mínimo se mantiene en \$25.

Aplicabilidad de las Impuestos a las Licencias Comerciales

Los impuestos a las licencias comerciales no son impuestos sobre el pueblo en general. Los negocios que operen en Antioch pagan el impuesto para brindar financiamiento para los servicios municipales en Antioch. Estos servicios municipales, como policía, cumplimiento de los códigos, reparaciones de calles, paisajismo y mantenimiento de parques y líneas medias, benefician a los negocios y las residencias de Antioch.

Los propietarios de propiedades comerciales ya pagan los impuestos a las licencias comerciales basados en la fórmula de ingresos brutos existente. Del mismo modo, sus inquilinos comerciales pagan los impuestos a las licencias comerciales. Históricamente, la mayoría de los propietarios residenciales (uni y multifamiliares) no han pagado un impuesto a las licencias comerciales. El impuesto a las licencias comerciales por unidad de vivienda propuesto reemplazaría al impuesto a las

licencias comerciales sobre los ingresos brutos que algunos dueños de departamentos han pagado.

Las viviendas sin fines de lucro – Incluyendo las viviendas sin fines lucrativos para cludadanos mayores -- están exentas de pagar el impuesto a las licencias comerciales existente y estarían exentas de este impuesto propuesto.

Fórmulas del Impuesto a las Licencias Comerciales

Las ciudades pueden usar diferentes fórmulas para gravar distintos tipos de negocios. Esto puede incluir la utilización de tarifas planas en dólares para algunos negocios y un porcentaje de los ingresos brutos por otros tipos de negocios. A veces las ciudades usan una fórmula en particular porque es un método más eficiente de recaudación impositiva.

El impuesto propuesto sobre los propietarios residenciales solo se aplicaría a las propiedades ubicadas en Antioch. Esto cumple con los requisitos Constitucionales de ser imparcial y distribuido para no cargar al comercio interestatal.

Ingresos Generales para Todos los Servicios Municipales

Los ingresos provenientes del impuesto serían depositados en el fondo general de la Ciudad. Se podrían usar para cualquier propósito municipal legal incluyendo: policía y respuesta frente a emergencias; cumplimiento de los códigos; desarrollo de la economía local y creación de empleos; reparación de calles; y cualquier otro programa o servicio de la Ciudad.

Efecto de la Medida O

Votar "Sí" en la Medida O es un voto para: 1) confirmar que el alquiler de una propiedad es un negocio sujeto a gravamen; 2) aplicar un impuesto anual a las licencias comerciales sobre los propietarios residenciales; y 3) mantener los impuestos a las licencias comerciales existentes para todos los demás negocios pero con un aumento del impuesto a las licencias comerciales mínimo para los negocios sujetos a la fórmula de ingresos brutos, con algunas excepciones.

Votar "No " en la Medida O es un voto en contra del impuesto a las licencias comerciales sobre los propietarios residenciales y al aumento del impuesto a las licencias comerciales.

Si la mayoría de los votantes votan "Sí" en la Medida O, esta se aprueba.

Respetuosamente,

Lynn Tracy Nerland, Abogada de la Ciudad de Antioch

ARGUMENTO A FAVOR DE LA MEDIDA O

La Ciudad de Antioch carece de ingresos para brindar los niveles adecuados de servicios municipales a la comunidad. Sufriendo los recortes de personal y de los gastos operativos del 30% desde 2007, todas las funciones del Fondo General están significativamente sub-dotadas de personal, incluyendo la Policía, el Cumplimiento de Códigos, Obras Públicas, Planificación, Construcción, y los departamentos administrativos. Como resultado, el departamento de policía, la oficina de obras públicas y el Ayuntamiento están todos cerrados los viernes.

Antioch no tiene un problema de gastos. Antioch tiene un problema de *ingresos*. Los bajos valores de las propiedades, los bajos ingresos provenientes del impuesto a la propiedad y del impuesto a las ventas le dan a Antioch ingresos al Fondo General mucho menores que las ciudades del Condado comparables en tamaño, a \$404.36 por residente (presupuesto 2014-15). En comparación, Concord recibe \$681.68 y Richmond, a \$1,255.75, recibe más del triple de los ingresos de Antioch. Pittsburg y Brentwood reciben \$555.84 y \$817.35 respectivamente.

Un grupo de ciudadanos de Antioch comenzaron una iniciativa para ajustar el Impuesto a las Licencias Comerciales para los propietarios residenciales a \$240 por unidad por año. Luego de meses de negociaciones entre la Asociación de Departamentos de California, los líderes de la iniciativa de los ciudadanos y la Ciudad, la Ciudad propuso un cargo anual de \$250 por unidad para las casas separadas que se alquilen y \$150 por unidad para unidades de alquiler multifamiliares. Esto equivaldrá a \$20.83 por mes para las casas de alquiler y a \$12.50 por mes para los departamentos - aproximadamente el uno por ciento (.8% a 1.2%) de la renta bruta, que será pagado por los propietarios. Los ciudadanos estuvieron de acuerdo. La Asociación de Departamentos no.

Muchos inversores acaudalados que compraron casas en Antioch no han estado pagando el Impuesto a las Licencias Comerciales. Es hora de que lo hagan. Están haciendo millones en Antioch, mientras disfrutan de las ventajas impositivas de la inversión en bienes raíces. La Medida O asegurará que paguen la parte que les corresponde en Antioch. Después de todo, todos los propietarios se beneficiarán enormemente de los servicios adicionales que la Ciudad financiará con estos ingresos.

Concejo Municipal de Antioch, Wade Harper, Alcalde de Antioch

Donald P. Freitas, Ex Alcalde - Ciudad de Antioch Robin Agopian, Residente

ARGUMENTO EN CONTRA DE LA MEDIDA O

En junio, el Contra Costa Times informo que la Ciudad de Antioch tiene un superávit presupuestario según el propio Director de Finanzas de la Ciudad. Pero una vez más, el Concejo Municipal de Antioch está tratando de aumentar los impuestos a sus ciudadanos.

Y una vez más el Concejo Municipal ha propuesto una medida impositiva que evade el requisito del voto de los dos tercios, facilitando así aún más el aumento de los impuestos sin exigir a la Ciudad que revele de qué manera se gastará el dinero.

El año pasado, los votantes de Antioch apoyaron un aumento masivo de impuestos – la Medida C. El Concejo Municipal declaró (falsamente) que el dinero sería utilizado para contratar 22 agentes de policía nuevos. Pero el Contra Costa Times reveló que el dinero de la Medida C nunca se utilizó para contratar 22 agentes de policía nuevos; y otro informe periodístico declaró que los votantes de Antioch estaban siendo "embaucados sobre el uso de los fondos de la Medida C".

¡Con la Medida O, el Concejo Municipal está tratando de aprovecharse de los votantes otra vez!

- Muchos ciudadanos mayores en última instancia pagarán el impuesto de la Medida O.
- No existe absolutamente ninguna garantía de cómo se gastará el dinero de la Medida O.
- El Director de Finanzas de Antioch dijo que la Ciudad tiene un superávit presupuestario.

Es irresponsable que el Concejo Municipal aumente los impuestos dando como resultado costos más altos para los ciudadanos mayores — muchos que viven de sus ingresos fijos y son ancianos — y con la menor capacidad para afrontar el aumento de los pagos mensuales.

El Concejo Municipal debería simplemente confiar en los votantes y brindar un plan de gastos detallado cuando pide nuevos impuestos. Pero en cambio, el Concejo Municipal está pidiendo otro cheque en blanco, y usando una campaña de amedrentamiento para influenciar a los votantes desprevenidos.

Entonces si el Concejo Municipal no va a confiar en los votantes, ¿por qué deberíamos confiar en el Concejo Municipal con otro aumento impositivo más? Por favor, únase a los ciudadanos mayores, los propietarios de viviendas y los propietarios de negocios en Votar NO en la Medida O.

SECCIÓN 4. ENMIENDA. Esta Ordenanza puede ser revocada o enmendada por el Concejo Municipal sin el voto del Pueblo excepto lo siguiente: según lo requerido por el Artículo XIIIC de la Constitución de California, toda enmienda que aumente el monto o la tasa del impuesto por encima de los niveles autorizados por esta Ordenanza no puede entrar en vigencia a menos que sea aprobada por el voto del Pueblo. El Concejo Municipal puede aplicar el impuesto por cualquier monto o tasa que no exceda la tasa aprobada por los votantes de la Ciudad.

SECCIÓN 5. MEDIDA DE INGRESOS. El impuesto adoptado por esta Ordenanza es aprobado únicamente para recaudar ingresos con propósitos municipales y no

está destinado para fines regulatorios. El Pueblo de la Ciudad determina que el impuesto es un impuesto general apropiado con el fin de recaudar ingresos. Los ingresos provenientes del impuesto serán depositados en el fondo general de la Ciudad y estarán disponibles para cualquier propósito municipal legítimo. Esta Ordenanza en sí misma no autoriza la realización de algún negocio o actividad en la Ciudad, sino que simplemente establece el gravamen de dichos negocios o actividades.

SECCIÓN 6. DIVISIBILIDAD. Si alguna disposición de esta ordenanza o su aplicación a alguna persona o circunstancia es considerada inválida, el resto de esta ordenanza y la aplicación de dicha disposición a otras personas o circunstancias no resultarán afectados por dicha invalidez. Los votantes de la Ciudad por el presente declaran que habrían adoptado esta Ordenanza y cada parte de la misma independientemente del hecho que la Ordenanza contuviera una parte o más partes inválida(s).

Este impuesto a las licencias comerciales que será presentado a los votantes es un impuesto general que puede ser utilizado para cualquier fin legítimo del gobierno. Como tal, bajo la sección 15378(b)(4) de las Pautas de CEQA, el impuesto no es un proyecto dentro del significado de CEQA porque crea un mecanismo de financiamiento del gobierno que no implica ningún compromiso con un proyecto específico que pueda generar un impacto físico potencialmente significativo en el medioambiente. Por lo tanto, según la sección 15060 de las Pautas CEQA, no se requiere la revisión de CEQA.

SECCIÓN 8. FECHA DE ENTRADA EN VIGENCIA. I. <u>BACKGROUND</u>

The City of Antioch was incorporated in 1872 as a general law city operating under the City Council/City Manager form of government. Antioch is a suburban city providing quality police, water, streets, parks, engineering, planning, and administrative services. The City has approximately 285 employees and an annual operating budget in excess of \$124 million.

The City has approximately 3,200 active business licenses, with a fiscal year 2015 budget of \$1,111,000 in business license tax revenue. In November 2014, Antioch voters approved Measure O, an update to the City's existing business license tax. Specifically, Measure O imposes an annual business license tax on residential landlords on the rental or leasing of detached single family dwelling units at \$250.00 per dwelling unit and attached multi-family dwelling units at \$150.00 per dwelling unit. The minimum tax for those businesses subject to the gross receipts tax formula, except for certain home occupation businesses, will be increased to \$100. Measure O became effective December 9, 2014. The ordinance language of Measure O can be found in Exhibit A to the RFP.

Section 1, Chapter 1 of Title 3 of the City's Municipal Code governs the City's business licenses and associated tax. The Municipal Code Chapter can be found at http://www.amlegal.com/antioch ca/.

No single factor will determine the final award decision. Please describe all other services that may be used in the determination for award of bid.

The City desires fixed pricing for the four-year contract period.

The City of Antioch reserves the right to cancel the awarded contract with a 30-day written notice for non-compliance of agreed upon proposed specifications.

The firm chosen by the City will be required to obtain a City business license prior to starting services.

The 32.5% will apply to the current tax year, all eligible prior period revenues, and any applicable penalties, interest, and late charges. The contingency fee only applies to revenue actually received by the City. The term "current tax year" shall mean the most recent tax year for which local taxes are due and payable to the City, and in which MuniServices has identified deficiencies.

Discount

Should the City also use MuniServices Business Tax Administration service, the contingency fee is reduced to a 30% contingency fee.

Local Tax Compliance Audit Services

MuniServices' compensation for the Audit Service will be a contingency fee of 32.5%. The 32.5% contingency fee will apply to revenue received by the City as a result of deficiencies identified in the review and will include any eligible prior period revenues together with all applicable penalties, interest and late charges. The City agrees to use reasonable and diligent efforts to collect deficiencies identified by MuniServices.

Discount

Should the City also use MuniServices Business Tax Administration service, the contingency fee is reduced to 30%.

Optional Service - Local Tax Compliance Turn-key Administration Services

MuniServices' compensation for providing the Business License Tax Administration Services will be \$10.00 per license issued. Additionally we offer to administer the City's Transient Occupancy Tax and returns as part of the Administration service.

The per-license fee is adjusted at the beginning of each calendar year by the percentage change in the Consumer Price Index – West Urban (CPI-WU) as reported by the Bureau of Labor Statistics. The initial CPI-WU used for the first CPI adjustment will be the CPI-WU for the month in which the agreement is fully signed. The adjustments thereafter will be based on the CPI-WU from December of the prior calendar year. Each annual adjustment will not be less than two percent (2%) or greater than ten percent (10%).

Included in the above compensation for Tax Administration Services are;

- 1. Printing and Mailing costs (for notifications, license issuance, etc.)

- 3. Forms processing and funds disbursement (secure lockbox operation)
- 4. Development and support of an on-line business license filing and payment application.

STAFF REPORT TO THE CITY COUNCIL

DATE:

Regular Meeting of February 24, 2015

TO:

Honorable Mayor and Members of the City Council

SUBMITTED BY:

Dawn Merchant, Finance Director

SUBJECT:

Business License Discovery/Recovery Contract

RECOMMENDED ACTION

It is recommended that the City Council approve entering into a contract for business license discovery/recovery services with MuniServices for a two year term, with the option to renew for an additional two years. The fee is on a contingency basis and will be 32.5% of new revenues generated directly by MuniServices. The fee will apply to revenues for the current tax year, all eligible prior period revenues and any applicable penalties, interest and late charges.

STRATEGIC PURPOSE

This action is essential to Strategy L-4 in the Strategic Plan: "Implement City Council policies and direction," as well as Strategy N-2: "Ensure the City achieves long-term fiscal sustainability." The City Council placed Measure O on the ballot to generate additional revenues for the City's General Fund by instituting a residential landlord tax and raising the minimum business license tax. Measure O aids the City in achieving long-term fiscal sustainability. Council further directed that a Business License Representative and outside discovery/recovery firm be hired. It is important to have tools in place to ensure the City is implementing Measure O and collecting all revenues entitled to achieve the maximum financial impact.

FISCAL IMPACT

The cost of this contract will fluctuate depending on the new revenues generated by MuniServices under the scope of work. The fixed contingent fee will be 32.5% of new revenues collected. For example, \$400,000 in new revenue would equate to \$130,000 in fees. Should the company assist in discovery of rental units under Measure O, \$2,000,000 in new revenue would equate to \$650,000. The fees will be paid out of the new revenue generated and will not be paid from any other General Fund sources or reserves.

DISCUSSION

On December 31, 2014 the City issued Request for Proposal No. 946-1231-15F for business license discovery/recovery services. Bids were due January 29, 2015. Three bids were received. Interviews of two finalists were conducted on February 9, 2015 by a panel of staff members. After careful review of proposals submitted and the results of the interview process, City staff is recommending that the contract be awarded to

MuniServices for a two year term, with the option to renew for another two years. Staff feels that MuniServices qualifications and services that can be provided are best suited for the City's needs. In addition, MuniServices currently provides the City with sales tax services and therefore has a strong working relationship with the City.

MuniServices will provide local tax compliance discovery and audit to assist the City in identifying businesses that are conducting business in the City but are not currently licensed. As part of this, MuniServices will work directly with the business to achieve compliance and explain the City's Municipal Code and policies. MuniServices can also provide deficiency audit services to identify businesses that may not be paying the full amount of tax to which they are subject to under the ordinance.

Our LTC Services are intended to complement the current efforts by brining to the City more sophisticated technology, data and door-to-door investigations that may not presently be available to the City.

Program Objectives and Methods

Our LTC service is designed to assist the City in locating tax revenue that the City may not be receiving from its local tax registry MuniServices provides detection, documentation and correction of errors and omissions causing deficiencies thereby producing new revenue that would not otherwise have been realized by the City. Moreover, our team of 12 full-time, local tax compliance employees works in full and collaborative partnership with City revenue staff to supplement the operations and procedures currently in place.

The LTC service also aims to reduce future errors by informing the businesses that are identified as having errors or omissions about the proper methods of compliance informing business owners of the requirements of the ordinance helps to prevent future mistakes by businesses making future enforcement efforts by the City less burdensome for the City.

Local Tax Discovery Services

Local Tax Discovery Services are designed to provide a full service solution to City's business license enforcement procedures. RE: RESIDENTIAL LANDLORD BUSINESS LICENSE REQUIREMENTS

Dear Sir/Madam:

In November 2014, Antioch voters approved Measure O, an update to the City's existing business license tax. Specifically, Measure O imposes an annual business license tax on residential landlords on the rental or leasing of detached single family dwelling units at \$250.00 per dwelling unit and attached multi-family dwelling units at \$150.00 per dwelling unit. Measure O became effective December 9, 2014.

It has come to our attention that you own rental property within the City of Antioch. For any rental properties located within the City, you must obtain a business license in order to comply with the City's Municipal Code.

For your convenience, an application and return envelope are enclosed. Please complete the enclosed application, listing **all** rental properties owned within the City, with applicable taxes and fees due. Please note that there is a \$30 application fee and \$1 state mandated fee due in addition to the Measure O tax, as listed above, with the application. Please note that only one \$30 application fee is due regardless of the number of properties/units listed on the application. For detached single family dwelling units, a separate business license will be issued for each location.

Each new application (not renewal) submitted in the future will require an application fee for those additional properties listed that are being licensed.

Thank you for your prompt attention to this matter. If you have already complied with the requirements and have received your business license certificate disregard this letter and we THANK YOU for your compliance. Should you have any questions, please do not hesitate to contact our business license department at (925) 779-7059.

Sincerely,

Business License Department

CITY OF ANTIOCH ADMINISTRATIVE BOARD OF APPEALS

General Information for Persons Appealing Citations

The Administrative Board of Appeals is comprised of five Antioch residents, who are appointed by the Mayor and have volunteered their time to hear your appeal. The Board Members do not receive monetary compensation for their time and they are not employees of the City. They do not make or control the law. They are hearing officers who will review your appeal because you have requested the City do so. As the person making the appeal (the appellant) please keep in mind the below:

Schedule of Hearing:

- When an appeal is requested, it is typically scheduled for the first Thursday of every month.
- You will receive written notice of the date and time of the appeal hearing from the City Clerk's office 10 days after you file your appeal.
- The Agenda and Staff Reports will be posted onto our City's Website 72 hours before the Board of Administrative Appeals Hearing date. To view the Agenda information, click on the following link and then double click 'Board of Administrative Appeals': http://www.ci.antioch.ca.us/CityGov/agendas/. Other locations to view the Agenda are the City Council Chambers front window, City Clerk's Office, Antioch Branch Library, Senior Center on 2nd Street, and the Antioch Community Center on Lone Tree Way.

When You Don't Show For Your Hearing:

If you do not appear at the hearing time and date you have been notified of, and unless you have provided the City Clerk forty-eight (48) hour notice before the hearing that you are requesting a postponement, your appeal will be heard without you being there.

How You Will Act At Your Appeal Hearing:

- You and anyone else who is attending the appeal at your request will maintain a respectful attitude at all times,
- If you or anyone else does not maintain a respectful attitude, you may be asked to leave the hearing by the Board Chairperson.
- Your appeal is not an opportunity to debate or argue with City staff or Board members. Any questions should be directed to the Board Chairperson.
- When you speak, you should talk about the reasons why you feel the citation was wrongfully issued.

How The Appeal Hearing Will Go:

- The Board will read your item of appeal from its Agenda.
- The Board will then ask City staff to present an oral report with regard to your citation. The Board may ask questions of City staff after the oral report. This oral report will be for **five (5)** minutes.
- After staff has provided its report, and the Board is finished with its questions of staff, you will then be called to the podium to speak. Please come up and speak at the podium, not from the audience.
- You will have five (5) minutes to present the reasons why you are appealing the citation.
- Any other additional persons who may oppose or support your appeal can fill out speaker cards and speak for three (3) minutes.
- The Board may then ask City staff for a rebuttal to the statements you or others made in support or opposition of your appeal. This rebuttal is only for three (3) minutes.
- Then the hearing is completed and the Board will then issue its ruling on your appeal.

Your Burden:

- It is your appeal and therefore you bear the burden to prove that the citation was wrongfully issued.
- To win your appeal, you must have a majority of the Board uphold your appeal (3 of 5, or 2 of 3).
- If the Board determines there was in fact good reason to issue the citation, your appeal will be denied and the citation amount that you deposited to have your appeal will not be refunded.

How The Board Will Rule:

The Board can only rule one of two ways:

- To uphold your appeal and dismiss the citation.
- To deny your appeal and uphold the citation.

Written Findings and Order:

- ▼ The Board will render their findings and recommendations after the hearing is concluded or as soon as possible.
- You will be mailed the written decision of hearing within ten (10) days of the hearing.
- The decision of the Board is the final ruling on your appeal from the City.

ADMINISTRATIVE CITATION: Pursuant to Section 1-2.01(E) of the Antioch Municipal Code, each day the violation continues is a separate and distinct offense and subject to additional citations. Fines per each count of the Antioch Municipal Code Section violated are as follows: first Citation \$100.00, second Citation \$200.00, third and subsequent Citations \$500.00. Notwithstanding the above violations of local building and safety codes are punishable by fines of \$500 for second Citation and \$1,000 for third and subsequent Citations.

RIGHTS OF APPEAL: You have the right to contest this Administrative Citation at a public hearing before an "Administrative Review Panel" ("ARP"). Box 5007, Antioch, CA 94531-5007, or in person to the City Clerk's office at City Hall, 200 H Street, Antioch, within ten (10) days from the date of the Administrative Citation. DISCUSSION

Mr. Beaudin received the following notifications for his rental property located at Grangnelli Avenue requesting compliance with Measure O. Our office was not aware of his additional rental property on E Street at this time. Please refer to Attachments F–J for the notifications mailed to Mr. Beaudin on his property located at Grangnelli Avenue:

 MuniServices sent 1st letter along with a declaration of information and business license application.

- 07/29/15 MuniServices sent 2nd letter along with a declaration of information and business license application.
- 09/08/15 MuniServices sent 3rd letter along with a declaration of information and business license application.
- 10/07/15 MuniServices sent a FINAL NOTICE along with a declaration of information and business license application.
- 06/02/17 MuniServices sent a follow up Notice of Violation.

All letters mailed by MuniServices included an application with instructions to list <u>ALL</u> rental property addresses.

Per Antioch Municipal Code:

№ 3-1.203 PENALTIES.

- (A) Unless otherwise specified by the terms of a particular license, taxes are due and payable within 30 days following expiration date of the license.
- (B) Any business license tax not paid when it becomes due and payable shall be delinquent and the following penalties added to it as follows:
- (1) Ten percent of the business license tax for a delinquency after 30 days from the expiration date;
- (2) Thirty percent of the business license tax for a delinquency of 60 days from the expiration date plus a new application fee as provided in $\S 3-1.120$; and
- (3) Fifty percent of license tax for a delinquency of 90 days from the expiration date plus a new application fee as provided in § 3-1.120.
- (C) Failure to pay the business license tax is a violation of the Antioch Municipal Code and a public nuisance. The city may seek any remedies available to it for such violation and public nuisance.
- (D) Any business operating in violation of the Antioch Municipal Code or as a nuisance is subject to water service disconnection, subject to noticing requirements under the law. (Ord. 2082-C-S, passed 3-25-14)
 - Per State Statute of Limitation:

Section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return was filed with the IRS. Similarly, under 301.6501(a)-1(b) of the Tax Regulations no proceeding in court by the IRS

without assessment for the collection of any tax can begin after the expiration of 3 years.

The final letter sent from MuniServices on June 2, 2017 contained the following statement (fifth and sixth paragraphs) notifying Mr. Beaudin that if compliance was not made, he could be subject to citation from the City:

Required correction: Within 15 calendar days from the date of this notice, you must contact MUNI Services, LLC by phone at 1-800-987-0999 or in person at 200 H Street, Antioch, CA and obtain a business license for the above property or file an appeal with the office of the City Clerk.

I hope you take this one-time opportunity to voluntarily abate the above violation(s) and public nuisance without the need for the City to issue Administrative Citations, which carry fines that range from \$100 to \$1,000 for every day the violation(s) are permitted to remain and/or take other action to compel your compliance.

Mr. Beaudin came to City Hall and spoke with Business License Representative Sonia Johnsen regarding the MuniServices letter received for his property on Grangnelli Avenue. She explained that he needed to comply with Measure O requirements which were \$250 per single family home, per year, or \$150 per unit, per year, for a multi-family dwelling. Mr. Beaudin said he would comply for the current 2017 year of billing for his property at Grangnelli Avenue, not the two years prior (since the enactment of Measure O). Mr. Beaudin did not mention his additional property at E Street to Business License Representative Johnsen during this visit.

On July 28, 2017, our office conducted a search for additional properties with the County records and found two additional properties owned by Mr. Beaudin. The property addresses are E Street and Palo Verde Way. These properties were not disclosed on Mr. Beaudin's Business License Application. The following actions were taken by the City when Mr. Beaudin continued to fail to comply:

- 07/28/17 No compliance was received from Mr. Beaudin. A \$100 Administrative Citation was issued for each of his three properties:
 Grangnelli Avenue, E Street, and Palo Verde Way. Along with the Administrative Citations was a letter explaining Measure O as well as the Business License Application listing all three of his properties with the amount due. The Administrative Citations had a due date of 08/12/17 (Attachment K).
- <u>08/21/17</u> No compliance was received from Mr. Beaudin through MuniServices or the City of Antioch. A \$200 Administrative Citation was issued for each of his three properties listed above (<u>Attachment L</u>).
- <u>08/31/17</u> Mr. Beaudin came in and complied with Measure O (Attachment M).

08/31/17 – Mr. Beaudin filed an appeal with the City Clerk's Office for the \$200 Administrative Citation No. 2166 issued on August 21, 2017 for the property on E Street (Attachment N).

RECOMMENDATION:

It is Staff's recommendation to uphold the \$200 Administrative Citation No. 2166 issued on August 21, 2017 for violation of the Antioch Municipal Code Business License Required and Residential Landlord Business License Tax (Measure O).

RESOLUTION NO. 2014/61

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ANTIOCH
CALLING FOR AND NOTICING A MUNICIPAL ELECTION ON NOVEMBER 4, 2014
TO PRESENT TO VOTERS A MEASURE TO
UPDATE THE EXISTING BUSINESS LICENSE TAX ORDINANCE
TO INCLUDE A RESIDENTIAL LANDLORD BUSINESS LICENSE TAX AND
TO CONFIRM THE EXISTING BUSINESS LICENSE TAX,
WITH AN INCREASE IN THE MINIMUM TAX

WHEREAS, the Antioch City Council desires to place a ballot measure before the voters at the November 4, 2014 regular municipal election to update the City's existing business license tax ordinance as set forth in Chapter 1 of Title 3 of the Antioch Municipal Code; impose a residential landlord business license tax; and maintain the existing business license taxes for all other businesses with an increase in the minimum tax to \$100.00 for those businesses subject to the gross receipts tax formula except for certain home occupation businesses, with such ordinance attached as Exhibit 1; and

WHEREAS, under existing ordinances, some residential apartment landlords are assessed an annual business license tax based on their gross annual income and others were not assessed any business license tax at all; and

WHEREAS, renting out property in the City of Antioch is a business and such business owners should pay a business license tax like other businesses owners in the City of Antioch to fund municipal services to those businesses and their tenants; and

WHEREAS, the majority of residential landlords do not pay a business license tax; although they benefit financially from tax advantages, including depreciation for tax purposes, while historically enjoying asset appreciation; and

WHEREAS, the City has insufficient funds to provide the necessary services to the Antioch community, which has only been exacerbated by the national economic recession and State's dissolution of redevelopment agencies, requiring severe cuts to City services, including reduced Police services with the elimination of School Resource Officers and Traffic Enforcement, virtual elimination of Code Enforcement, reduced street repairs and maintenance, reduced services at the Animal Shelter and Recreation Programs and less access for the public given the weekly closures of City facilities; and

WHEREAS, confirming and updating the City's existing business license tax ordinance as set forth in Chapter 1 of Title 3 of the Antioch Municipal Code by imposing a residential landlord business license tax and maintaining the existing business license taxes for all other businesses with an increase in the minimum tax to \$100.00 for those businesses subject to the gross receipts tax formula except for home occupation businesses that are not defined as professionals whose minimum tax shall remain \$25.00, the revenues of which are legally required to stay in Antioch to maintain local services for

general governmental purposes is vital to the preservation of the public health, safety and welfare; and

WHEREAS, the City Council is authorized to request and order that this general municipal election be consolidated with other elections to be held on November 4, 2014 and in the same territory (California Elections Code sections 10400 *et seq.*) so that within the City, the precincts, polling places, and election officers for the two elections be the same; that the Contra Costa County Registrar of Voters canvass the returns of the general municipal election; and this general municipal election and the November 4, 2014 general election be held in all respects as if there were only one election;

WHEREAS, this resolution is adopted by a two-thirds vote of all five council members as required by Government Code section 53724(b) and consolidated with the Statewide general election as required by Government Code section 53724(c);

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ANTIOCH DOES RESOLVE AS FOLLOWS:

Section 1. Call for Election

Pursuant to California Constitution Article XIIIC, Section 2(b), Government Code Section 53723, and Elections Code Section 9222, the City Council of the City of Antioch hereby submits to the qualified voters of the City a measure that, if approved, would confirm and update the City's existing business license tax ordinance as set forth in Chapter 1 of Title 3 of the Antioch Municipal Code and state that the rental or leasing of real property is a business subject to taxation; impose an annual business license tax on the rental or leasing of detached single family dwelling units at \$250.00 per unit and attached multifamily units at \$150.00 per unit; and maintain the existing business license taxes for all other businesses with an increase in the minimum tax to \$100.00 for those businesses subject to the gross receipts tax formula except for home occupation businesses that are not defined as professionals whose minimum tax shall remain \$25.00.

Pursuant to California Elections Code section 10403, the City Council hereby requests that the Contra Costa County Board of Supervisors consolidate that election with the Statewide general election to be conducted on November 4, 2014 and order the general municipal election to be conducted by the Registrar of Voters. The Contra Costa County Elections Department is authorized to canvass the returns of the election, and the elections shall be held in all respects as only one election. The ballots to be used in the election shall be in form and content as required by law.

The City Clerk's Office is authorized, instructed and directed to work with the County Elections Division as needed to properly and lawfully conduct the election. In all particulars not recited in this Resolution, the election shall be held and conducted as provided by law for holding municipal elections.

The notice of the time and place of holding the election is hereby given, and the City Clerk and County Registrar of Voters are authorized to give further notice of the election, as required by law.

b. Costs

The City will reimburse the County for the actual cost incurred in conducting the election upon receipt of a bill stating the amount due as determined by the Registrar of Voters.

c. Wording of the Measure

The working of the ballot measure is as specified in Section 2 of this resolution.

d. Full Text of the Measure

The full text of the "Ordinance of the City of Antioch to Update the Existing Business License Tax Ordinance to include a Residential Landlord Business License Tax and to Confirm the Existing Business License Tax with an increase in the Minimum Tax," which is attached as Exhibit 1 to this resolution, shall be completely printed in the Voter Information Pamphlet.

e. Passage of the Measure

This business license tax ballot measure is a general tax requiring the approval of a majority of qualified electors casting votes. While the measure lists several of the various municipal purposes to be funded, the list is illustrative only and the City Council retains complete discretion to expend the tax proceeds for any lawful purpose of the City of Antioch.

f. Boundaries

The City of Antioch's boundaries have changed since the November 5, 2013 election and information about that change has been provided to the County Clerk-Recorder/Registrar of Voters.

Section 5. Publication of Measure

The City Clerk's Office is hereby directed to cause notice of the measure to be published once in accordance with Section 12111 of the Elections Code, in the form attached as Exhibit 2 to this resolution.

Section 6. Submission of Ballot Arguments

Per the direction of the Registrar of Voters, the City Clerk's Office has fixed 5:00 p.m. on Wednesday, August 20, 2014 as the deadline for submittal of arguments for or against the measure.

The direct arguments ("in support and against") shall not exceed three hundred (300) words, and shall not be signed by more than five (5) persons. The City Council does not adopt the provisions of Elections Code Section 9285(a) and repeals any previous resolution implementing that section which might remain in effect; there shall be no rebuttal arguments.

Section 7. Council Preparation of Argument In Support of Measure

The City Council hereby authorizes the Mayor or Mayor Pro Tem to prepare and file the written primary argument on behalf of the City Council in support of the ballot measure described above, pursuant to Article 4 of Chapter 3 of Division 9 of the California Elections Code. The City Attorney shall prepare an Impartial Analysis of the measure, not to exceed 500 words in length, showing the effect of the measure on the existing law and the operation of the measure. Per the direction of Registrar of Voters, the Impartial Analysis shall be transmitted to the City Clerk and Registrar of Voters by no later than 5:00 p.m. on Friday, August 15, 2014.

Section 9. Implementation.

The City Clerk's Office is directed to file with the Board of Supervisors certified copies of this resolution, with a copy to the Registrar of Voters of Contra Costa County, pursuant to California Elections Code section 10403.

Section 10. CEQA

The approval of this Resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The business license tax update to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action or actions. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific

project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the City would undertake the required CEQA review for that particular project. Therefore, under CEQA Guidelines section 15060 review under CEQA is not required.

Section 11. Passage of this Resolution.

This Resolution shall become effective immediately upon its passage and adoption.

I HEREBY CERTIFY that the foregoing resolution was passed and adopted by the City Council of the City of Antioch at a regular meeting thereof, held on the 24th day of June, 2014, by the following vote:

Any business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

Frequently Asked Questions about Measure O Residential Landlord and Business License Tax Update

Q: Why does Antioch need to update the Business License Tax?

A: Antioch continues to face a severe fiscal crisis due to very low revenues. We are among the poorest city governments in the County. With Measure C, our budgeted General Fund revenue for fiscal year 2014/15 is \$43,046,381. With a population of 106,455, that puts our per capita (per person) revenue at only \$404.36 (which means \$404 per year per resident to provide all services including Police, streets, parks, recreation, senior and youth programs, administration, etc). Compare this to our neighboring cities of Brentwood at \$817.35 and Pittsburg at \$555.84. Comparable sized cities Concord and Richmond are at \$681.68 and \$1255.75 - a General Fund three times as large as Antioch's.

Q: Why can't the City just cut costs?

A: Since 2007, the City has taken severe actions to reduce costs and avoid bankruptcy, including:

Reducing staffing by 30% through layoffs, retirements and attrition.

Eliminating cost-of-living increases and decreasing management salaries 10%.

Implementing furloughs and closing City business offices on Fridays.

- Reducing benefit payments by increasing employee contributions towards retirement costs and drastically reducing medical after retirement benefits for new employees.
- Reducing other expenditures by cutting service, supply and equipment costs, and deferring vehicle, building and equipment maintenance.

Q: What about the Measure C (sales tax measure) funding?

A: With approval of the 2014/15 budget, the City Council directed 100% of Measure C revenues toward the hiring of more Police Officers, which is well in progress, and augmenting Code Enforcement services. However, even with Measure C funds:

- The General Fund revenue is still down \$4.2 million from the height in 2007. That is an 8.9% reduction.
- Multi-million dollar budget deficits are projected starting in fiscal year 2016/17. At this
 pace, the City's reserves will be exhausted by June of 2019.
- Measure C is only approved for seven (7) years, expiring in 2021, so sustainable, ongoing revenue needs to be identified.

Q: What is Measure O?

A: Measure O is an increase in the minimum Business License Tax and it will get **residential landlords to pay a tax based on the number of units rented**. In June, the City Council authorized placing a measure on the local November ballot to specifically add the business of renting or leasing of residential property as a business and subject to taxation.

Q: How much will landlords have to pay?

A: Residential landlords will pay \$250 per year for single family dwelling rentals (e.g. houses) and \$150 per year for multi-family rental units (e.g. apartments and condos).

Q: Are there exemptions from the new Business License Tax on Landlords?

A: Hotel/motel, hospital, convalescent, extended care (nursing) and residential care (assisted living) facilities are exempt from the proposed per unit fee. Non-profits continue to be exempt from the Business License Tax.

Q: How much will businesses have to pay?

A: The minimum annual Business License Tax will go from \$25, where it was in the 1960's, to \$100. The City Council heard the request of the Chamber of Commerce to not raise the tax on smaller home-based businesses, which will remain at \$25.

Q: How did Measure O come to be?

A: In 2013, a group of citizens requested that the City Council add the rental or leasing of residential property to the business license ordinance at a rate of \$240 per unit per year. The City Council decided to only bring one measure forward, and moved ahead with the sales tax ordinance (Measure C). However, the Council directed staff to work with the citizens group and the California Apartment Association to develop a measure for 2014. The citizens group agreed with the City's compromise proposal, but the Apartment Association did not.

Q: Why did the City Council put Measure O on the ballot?

A: In 2013 the City Council declared a Fiscal Emergency, and, although Measure C was successful, the City's approved budget still has projected budget deficits of over \$3,000,000 per year starting in FY 2016/17. The City Council felt that City services have already been cut to unacceptable levels and, given the temporary nature of Measure C funding and the projected multi-million dollar deficits, that having residential landlords pay a per unit Business License Tax was the best alternative to stabilize the City's finances.

The purpose of Measure O is to provide General Fund revenue to help eliminate the projected structural deficits and improve essential community services such as:

- Reopening City Hall, the Public Works office, and the Police Department lobby five (5) days a week.
- Further enhancing Police, Code Enforcement and blight elimination activities, such as graffiti and dumping abatement.
- Reinvesting in infrastructure and maintenance, such as streets, landscaping and buildings to improve the appearance of the community and increase property values.

Q: Can the City provide a full range of services without additional revenue?

A: No. Without additional revenue the City will be deficit spending by fiscal year 2015/16. This will require further cuts in expenditures, necessitating staffing reductions in General Fund departments, including the Police Department.

Q: How do we know these funds will be spent responsibly?

A: The City's finances are independently audited every year. City budgets are posted on the City web site. In addition, all City revenues are reported and discussed at public meetings during the annual budget process.

Q: Can these funds be taken by Sacramento?

A: No. By law, these are locally approved funds and <u>can only be used for local Antioch</u> <u>services</u>. Not a penny can be taken by the State or the County.

Q: When is the election?

A: Tuesday, November 4, 2014.

Q: How can I find out more factual information about Measure O?

A: For the full text of Measure O and the City Attorney's Impartial Analyses, visit www.ci.antioch.ca.us or call 779-7011 for more information.

CITY OF ANTIOCH, COUNCILMEMBER

LORI OGORCHOCK Local Business Woman

No mistaking, I'm passionate about Antioch! After graduating Antioch High, with Richard, my husband of 31 years, we raised our 3 children here. Later graduated LMC's Police Reserve Academy and was a former Walnut Creek Police Reserve Officer.

Twelve years ago I retired from CSAA to run my own Real Estate business. After work I give back to the community I love. I've sat on Sutter Elementary School Site Council, several boards for youth baseball, football, helped design and install City Park.

On Keller Williams leadership team, I organized civic events, planting community gardens and assisting Veterans. I'm the incoming Treasurer for the Delta Association of Realtors, future Director for California Association of Realtors, a Rotarian and the incoming Club Service Chair.

Antioch will flounder if it remains reactive. We must grab the bull by the horns with fearless leadership. Let me bring my candid, roll-up your sleeves approach to our City Council.

My Four Main Goals:

 Community Safety 1st! I will Insure Measure C funds are used as promised for police, plain and simple
 Revitalize Downtown; Our seniors deserve only the best freatment, building condos where there should be a park is just foolishness

Tax Business Reasonably; simplify taxes, be fair Economic Growth; safety and business friendly attitudes will stimulate our city and economy

"A" should stand for Antioch, not "Afraid". I am a successful business woman, a proven doer with common sense and spine. I can't bring results alone, though. I need your support!

LAWAR THORPE

Community College Administrator -

In 1981, I was born in prison to a mother addicted to heroin. At two days old, I was placed in foster care and raised by a family who immigrated to the US from Mexico. As a result, my first language is Spanish. In 5th grade, I was placed in Special Education and subsequently graduated high school not knowing how to read and write. After two semesters in junior college, I was asked to leave because I was illiterate. With nowhere else to go, I enlisted in the US Navv.

Today, I'm a proud 8 year Navy veteran, two time graduate of The George Washington University, higher education administrator, and member of the Antioch Economic Development Commission. I'm running for city council to create opportunities for our residents to build a more secure livelihood and a sense of dignity. I chose to raise my family in Antioch, but what I did not choose was violent crime, an 8% local unemployment rate, and an imbalance between jobs and housing.

Since the foreclosure crisis, many in Antioch have resorted to working two to three part-time jobs, often receiving low wages to keep their homes and put food on the table. As a councilmember, I will fight to advance policies that are going to:

Incentivize high paying job growth in manufacturing, research and development and biotechnology;

Build Antioch's police and code enforcement divisions; and,

Streamline government to foster a collaborative environment between business, labor and City Hall.

I humbly ask for your vote.

DIANE GIBSON-GRAY

Executive Director/Trustee

The city of Antioch is at a crisis point and good leadership requires experience. My business, community service, elected and appointed office experiences, combined with my lifetime knowledge of Antioch qualifies me to serve on the Antioch City

Below are my three top priorities:

1. Quickly hire public safety employees and get additional "boots on the ground". Police officers, code enforcement and support staff must be hired now!

Increase city services to the public by bringing back city employee's 40-hour work week.

3. Transportation improvements (widening Highway 4, E-Bart and Highway 160 connector ramps) makes Antioch an attractive development opportunity; now is the time for discussions with potential new business entities.

I have worked 28 years in the cable telecommunications industry, 10 years as a nonprofit Executive Director for the Arts & Cultural Foundation, and over 25+ years as an active community volunteer. am in my second term as a Trustee for the Antioch Unified School District. I currently serve on the Executive Board for the Antioch Chamber of Commerce and have been a Planning and Recreation Commissioner. I am a Rotarian and a Women's Club member and a 50+ year resident of Antioch.

The residents of Antioch deserve to live in a safe community, have access to public services and have smart growth that will leave a lasting positive legacy,

Elect a Council Member with experience, willing to make needed changes and ready to do the job today. Vote for Diane Gibson-Gray.

TONY G. TISCARENO

Appointed Antioch Councilmember

Last year, I was appointed to fill the vacancy on the Antioch City Council. I've resided in Antioch for 44 years. My wife, Olivia, and I raised our children here. It is my great honor to represent you.

Antioch has many challenges to overcome to become the great city I know we can be. Getting a handle on crime being the most important:

Hiring More Police:

We are aggressively recruiting EXPERIENCED police officers and training dozens more at the Police Academy. We are making progress, with the goal of getting 22 additional officers on the streets.

Fighting Gangs, Drugs and Illegal Weapons:

While we're hiring more officers, Antioch Police and the FBI are working overtime to PROACTIVELY take down criminals BEFORE they engage in violent behavior against citizens. I WHOLEHEARTEDLY SUPPORT THIS EFFORT.

Taking CRIME PREVENTION into Our Own Hands:

I'm proud of our residents who participate in monthly Antioch Police neighborhood cleanups; get involved in Neighborhood Watch (we have 480 "Block Captains"); even our garbage collectors and postal workers now CALL IN SUSPICIOUS NEIGHBORHOOD ACTIVITY.

Hiring more code enforcement officers to cite and fine negligent property owners, revitalizing RIVERTOWN, making City Hall more business friendly, and attracting a great restaurant at Humphrey's are also priorities.

Today requires a new kind of Councilmember - one who is accessible 24/7. <u>Please call me anytime.</u> As your representative, I will continue to work hard to improve this great city. I would be honored to earn your vote.

LOCAL MEASURES SUBMITTED TO VOTERS

City of Antioch

MEASURE O CITY OF ANTIOCH

BUSINESS LICENSE TAX. To provide funding that cannot be seized by the State, to maintain such general City services as police services, code enforcement, street repairs, senior services and youth programs, shall the City of Antioch adopt a residential landlord business license tax based on the type and number of units and confirm the existing gross receipts business license tax with an increased minimum tax, which is not a tax on the general public?

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE O

The City Council voted unanimously to put Measure O on the ballot to ask voters to:

- Confirm that the rental of real property (e.g. land or building) is a business subject to taxation;
- Impose an annual business license tax on residential landlords renting Antioch property at \$250 per detached, single-family dwelling unit (e.g. house) and \$150 per attached, multi-family dwelling unit (e.g. apartment); and
- Maintain existing business license taxes for all other businesses, but with an increase in the annual minimum tax to \$100 for businesses subject to the gross receipts tax formula, except for certain home occupation businesses for which the minimum tax remains \$25.

Applicability of Business License Taxes

Business license taxes are not taxes on the general public. Businesses operating in Antioch pay the tax to provide funding for municipal services in Antioch. These municipal services, like police, code enforcement, street repair, park and median landscaping and maintenance, benefit businesses and residences in Antioch.

Landlords of commercial properties already pay business license taxes based on the existing gross receipts formula. Likewise, their commercial tenants pay business license taxes. Historically, the majority of residential landlords (single-family and multi-family) have not paid a business license tax. The proposed per dwelling unit business license tax would replace the gross receipts business license tax that some apartment owners have paid.

Nonprofits -- including nonprofit senior housing -- are exempt from paying the existing business license tax and would be exempt from this proposed tax.

Business License Tax Formulas

Cities may use different formulas for taxing different kinds of businesses. This may include using flat dollar amounts for some businesses and a percentage of gross receipts for other kinds of businesses. Sometimes cities use a particular formula because it is more efficient method of tax collection.

The proposed tax on residential landlords would only apply to properties located in Antioch. This meets Constitutional requirements to be nondiscriminatory and apportioned so not to burden interstate commerce.

General Revenue for All City Services

The tax revenue would be deposited in the City's general fund. It could be used for any legal municipal purpose including: police and emergency response; code enforcement; local economic development and job creation; street repair; and any other City program or service.

Effect of Weasure O

Voting "Yes" on Measure O is a vote to: 1) confirm that the rental of property is a business subject to taxation; 2) impose an annual business license tax on residential landlords; and 3) maintain the existing business license taxes for all other businesses but with an increase to the minimum business license tax for businesses subject to the gross receipts formula, with some exceptions.

Voting "No" on Measure O is a vote against the tax on residential landlords and the increased minimum business license tax.

If a majority of voters vote "Yes" on Measure O, it passes. Respectfully submitted,

Lynn Tracy Nerland Antioch City Attorney

ARGUMENT IN FAVOR OF MEASURE O

The City of Antioch lacks the revenue to provide adequate levels of municipal services to the community. Suffering from staffing and operating expense cuts of 30% since 2007, all General Fund functions are significantly understaffed, including Police, Code Enforcement, Public Works, Planning, Building and administrative departments. As a result the police department, the public works office and City Hall are closed on Fridays.

Antioch does not have a spending problem. Antioch has a <u>revenue</u> problem. Low property values, low property tax revenue, and low sales tax revenue give Antioch much lower General Fund revenues than comparably sized cities in the County, at \$404.36 per resident (2014-15 budget). In comparison, Concord receives \$681.68 and Richmond, at \$1,255.75, receives more than triple the revenue of Antioch. Pittsburg and Brentwood receive \$555.84 and \$817.35 respectively.

A group of Antioch citizens started an Initiative to adjust the Business License Tax for residential landlords to \$240 per unit per year. After months of negotiations between the California Apartment Association, the citizen's initiative leaders and the City, the City proposed a \$250 per unit annual charge for detached houses being rented and \$150 per unit for multi-family rental units. This will equate to \$20.83 per month for rental houses and \$12.50 a month for apartments - about one percent (.8% to 1.2%) of gross rent, which will be paid by landlords. The citizens agreed. The Apartment Association did not.

Many wealthy investors that purchased houses in Antloch have not been paying Business License Taxes. It's time they did. They are making millions in Antioch, while enjoying the tax advantages of real estate investment. Measure O will ensure they pay their fair share in Antioch. After all, all property owners will benefit greatly from the additional services the City will fund with this revenue.

JOIN ANTIOCH CITIZENS IN SUPPORTING MEASURE O.

Antioch City Council, Wade Harper, Mayor Hansel Hon Tao Ho, Former Crime Prevention Commissioner James Kenneth Gray Jr., Boardmember – East Contra Costa Transit Authority Donald P. Freitas, Former Mayor – City of Antioch Robin Agopian, Resident

ARGUMENT AGAINST MEASURE O

In June, the Contra Costa Times reported that the City of Antioch has a budget surplus according to the City's own Finance Director. But once again, the Antioch City Council is trying to increase taxes on its citizens.

And once again the City Council has proposed a tax measure that side-steps the two-thirds vote requirement, thus making it even easier to increase taxes without requiring the City to reveal how the money will be spent.

Last year, Antioch voters supported a massive tax increase – Measure C. The City Council claimed (falsely) that the money would be used to hire 22 new police officers. But the Contra Costa Times uncovered that Measure C money was never used to hire 22 new officers; and another news report stated that Antioch voters were "hoodwinked on the use of Measure C funds."

With Measure O, the City Council is trying to take advantage of the voters again!

- Many senior citizens will ultimately be paying for the Measure O tax.
- There are absolutely no guarantees how the Measure O money will be spent.
- Antioch's Finance Director said that the City has a budget surplus.

It is irresponsible for the City Council to raise taxes resulting in higher costs for senior citizens – many on fixed incomes and elderly – and least able to afford increased monthly payments.

The City Council should simply trust the voters and provide a detailed spending plan when asking for new taxes. But instead, the City Council is asking for another blank check, and using scare tactics to influence unsuspecting voters.

So if the City Council won't trust the voters, why should we trust the City Council with yet another tax increase? Please join senior citizens, home owners, and business owners in Voting NO on Measure O.

California Apartment Association, Contra Costa Division, Aaron Meadows, Board Member Lisa Alotte, Antioch Senior Citizen Scott MacIntyre, Antioch Realtor/Resident Perry Shusta, Antioch Resident/Business Owner Charles Caballero, Antioch Senior Citizen

Type Of Unit	Annual tax
Single family dwelling unit	\$250,00 per unit
Multi-family dwelling unit including duplexes, condominiums and apartments	\$150.00 per unit

(C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3. CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX ORDINANCE AND RATE. The business license tax provisions in Chapter 1 of Title 3 of the Antioch Municipal Code are hereby confirmed. Any

business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

From	То	Tax
\$0.00	\$20,000.00	\$100.00 (except for non-Professional Home Occupation businesses which shall pay \$25.00)
\$20,001.00	\$1,000,000.00	\$1,25 / \$1,000.00 of gross receipts

SECTION 4. AMENDMENT. This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment.

Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

SECTION 9. CERTIFICATION; PUBLICATION.

Upon approval by the voters, the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause it to be published according to law.

Ordinance No. ___ was submitted to the People of the City of Antioch at the November 4, 2014 municipal election. It is hereby certified that this Ordinance was **APPROVED** by the following vote of the People of Antioch:

YES: NO:

This Ordinance was thereby adopted by the voters at the November 4, 2014 election and took effect 10 days following adoption of a resolution declaring the results of the election at a regular meeting of the City Council held on ______ by the following vote:

CIUDAD DE ANTIOCH, MIEMBRO DEL CONCEJO MUNICIPAL

LORI OGORCHOCK

Empresaria Local

¡No cabe ninguna duda, me apasiona Antioch! Luego de graduarme en Antioch High, con Richard, mi esposo hace 31 años, criamos a nuestros 3 hijos aquí. Luego me gradué en la Academia de Reserva de la Policía de LMC y fui ex Agente de Policía de Reserva de Walnut Creek.

Doce años atrás me retiré de CSAA para dirigir mi propio negocio de Bienes Raíces. Luego del trabajo le retribuyo a la comunidad que amo. Presidí el Consejo Escolar de la Escuela Primaria Sutter, varias juntas de béjsbol juvenil, fútbol, ayudé a diseñar e instalar el Parque Municipal.

En el equipo de liderazgo de Keller Williams, organicé eventos civicos, plantando jardines comunitarios y asistiendo a los Veteranos. Soy la Tesorera entrante de la Asociación de Agentes Inmobiliarios del Delta, futura Directora de la Asociación de Agentes Inmobiliarios de California, una Rotaria y la Presidenta entrante del comité Club Service.

Antioch fracasará si sigue inactiva. Debemos tomar al toro por las astas con un liderazgo valiente. Déjeme traer mi enfoque cándido de arremangarse las mangas a nuestro Concejo Municipal.

Mis Cuatro Metas Principales:

1. <u>ILa Seguridad de la Comunidad 1ºº</u>] Aseguraré que los fondos de la Medida C sean utilizados según lo prometido para la policia, lisa y llanamente

2. <u>Revitalizar el Centro Urbano:</u> Nuestros ciudadanos mayores merecen solo el mejor tratamiento, construir condominios donde debería haber un parque es simplemente una tontería 3. <u>Gravar a los Negocios Razonablemente</u>; simplificar los impuestos, ser justos

4. <u>Crecimiento Económico</u>; las actitudes favoreciendo la seguridad y los negocios estimularán nuestra ciudad y economía

economía "A" debería ser por Antioch, no por "Asustado". Soy una empresaria exitosa, una hacedora comprobada con sentido común y fuerza de voluntad.

No obstante, no puedo traer resultados yo sola. ¡Necesito su apoyo!

LAMAR THORPE

Administrador de Colegio Comunitario

En 1981, naci en prisión por una madre adicta a la heroína. A los dos días de vida, fui colocado en el cuidado de acogida y criado por una familia de inmigrantes de México a EE. UU. Como resultado, mi primer idioma es el español. En 5º grado, ful colocado en Educación Especial y subsiguientemente me gradué en la escuela secundarla sin saber leer y escribir, Luego de dos semestres en la universidad menor, me pidieron que me retirara porque era analfabeto. Sin tener a donde ir, me enlisté en la Marina de los EE, UU.

Hoy, soy un orguiloso veterano de la Marina de 8 años, graduado dos veces en la Universidad The George Washington, administrador de educación superior, y miembro de la Comisión de Desarrollo Económico de Antioch. Me postulo para el concejo municipal para crear oportunidades para que nuestros residentes construyan un sustento más seguro y un sentido de la dignidad. Elegí criar a mi familia en Antioch, pero lo que no elegí fue el delito violento, una tasa de desempleo local del 8%, y un desequilibrio entre los empleos y la vivienda.

Desde la crisis de las ejecuciones hipotecarias, muchos en Antioch han recurrido a tener de dos a tres empleos de medio tiempo, recibiendo a menudo bajos salarios para mantener sus hogares y llevar comida a la mesa. Como concejal, lucharé para promover políticas que:

incentivarán el crecimiento de los empleos blen remunerados en manufactura, investigación y desarrollo y biotecnología;

Construirán las divisiones de polícía y cumplimiento de códigos de Antloch; y, Simplificarán al gobierno para fomentar un entorno colaborador entre los negocios, la mano de obra y el Ayuntamiento. Le pido humildemente su voto.

DIANE GIBSON-GRAY

Directora Ejecutiva/Fidelcomisaria

La ciudad de Antioch está en un punto de crisis y el buen liderazgo requiere experiencia. Mis experiencias en negocios, servicio comunitario, cargos electos y designados por nombramiento, combinadas con mi conocimiento de toda la vida de Antioch me califica para desempeñarme en el Concejo Municipal de Antioch. Abajo están mis tres principales prioridades:

 Contratar rápidamente empleados de seguridad pública y obtener "botas en el campo" adicionales. ¡Los agentes de policía, el personal de cumplimiento de códigos y de apoyo deben ser contratados ahora!

deben ser contratados ahora!

2. Aumentar los servicios municipales al pueblo devolviendo la semana laboral de 40 horas a los empleados municipales.

3. Mejorar los transportes (ampliación de las rampas conectoras de la Carretera 4, el E-Bart y la Carretera 160) hace de Antioch una atractiva oportunidad de desarrollo; ahora es el momento de las discusiones con las potenciales entidades comerciales nuevas

TONY G. TISCARENO

Conceial Designado de Antioch

El año pasado, ful designado para ocupar la vacante en el Concejo Municipal de Antioch. Hace 44 años que resido en Antioch. Mi esposa, Olivia, y yo criamos a nuestros hijos aquí. Es mi gran honor representarlo.

Antioch tiene muchos desafíos que superar para convertirse en la gran cludad que sé que podemos ser. Lo más importante es lidiar con la delincuencia:

Contratar Was Policías: Estamos reclutando activamente agentes de policía EXPERIMENTADOS y capacitando a docenas más en la Academia de Policía. Estamos progresando, con la meta de tener 22 agentes adicionales en las calles.

Combatir las Pandillas, Drogas y Armas Ilegales: Si blen estamos contratando más agentes policiales, la Policía de Antioch y el FBI están trabajando horas extras para desmantelar PROACTIVAMENTE a los delincuentes ANTES de que participen en comportamientos violentos en contra de los ciudadanos. APOYO ESTE ESFUERZO CON TODO EL CORAZÓN.

Llevar la PREVENCIÓN DE DELITOS a Nuestras Propias Manos: Estoy orgulloso de nuestros residentes que participan en las limpiezas vecinales mensuales de la Policia de Antioch; participan de la Vigilancia Vecinal (tenemos 480 "Capitanes de Cuadra"); incluso nuestros recolectores de basura y trabajadores del correo ahora LLAMAN ANTE ACTIVIDADES SOSPECHOSAS EN EL VECINDARIO.

Contratar más agentes del orden para citar y multar a los propietarios negligentes, revitalizar RIVERTOWN, hacer al Ayuntamiento más "favorable para los negocios", y atraer un gran restaurante en Humphrey's – son prioridades también.

El hoy requiere un nuevo tipo de Concejal - uno que sea accesible 24/7. Por favor, llámeme en cualquier momento. Como su representante, seguiré trabajando duro para mejorar esta gran ciudad. Me sentiría honrado de obtener con su voto.

MEDIDAS LOCALES PRESENTADAS A LOS VOTANTES

Ciudad de Antioch

MEDIDA O DE LA CIUDAD DE ANTIOCH

IMPUESTO A LA LICENCIA COMERCIAL. Para brindar financiamiento que no pueda ser apoderado por el Estado, para mantener los servicios Municipales generales tales como los servicios policiales, el cumplimiento de los códigos, las reparaciones de calles, los servicios para ciudadanos mayores y los programas para jóvenes, ¿deberá la Ciudad de Antioch adoptar un Impuesto a la licencia comercial sobre las propiedades residenciales basado en el tipo y la cantidad de unidades y confirmar los ingresos brutos del impuesto a la licencia comercial existente con un impuesto mínimo mayor, que no es un impuesto aplicado al pueblo en general

ANALISIS IMPARCIAL DE LA MEDIDA O POR EL ABOGADO DE LA CIUDAD

El Concejo Municipal votó unánimemente para colocar la Medida O en la balota para pedir a los votantes que:

- Confirmen que el alquiler de una propiedad inmueble (por ej.: un terreno o una construcción) es un negocio sujeto a gravamen;
- Apliquen un impuesto anual a las licencias comerciales sobre los propietarios residenciales que alquilen propiedades en Antioch a \$250 por unidad de vivienda unifamiliar independiente (por ej. una casa) y \$150 por unidad de vivienda multifamiliar conjunta (por ej.: un departamento); y
- Mantengan el impuesto a las licencias comerciales existente para todos los demás negocios, pero con un aumento en el impuesto mínimo anual de \$100 para los negocios sujetos a la fórmula impositiva de los ingresos brutos, excepto algunos negocios de alojamiento por los cuales el impuesto mínimo se mantiene en \$25.

Aplicabilidad de las Impuestos a las Licencias Comerciales

Los impuestos a las licencias comerciales no son impuestos sobre el pueblo en general. Los negocios que operen en Antioch pagan el impuesto para brindar financiamiento para los servicios municipales en Antioch. Estos servicios municipales, como policía, cumplimiento de los códigos, reparaciones de calles, paisajismo y mantenimiento de parques y líneas medias, benefician a los negocios y las residencias de Antioch.

Los propietarios de propiedades comerciales ya pagan los impuestos a las licencias comerciales basados en la fórmula de ingresos brutos existente. Del mismo modo, sus inquilinos comerciales pagan los impuestos a las licencias comerciales. Históricamente, la mayoría de los propietarios residenciales (uni y multifamiliares) no han pagado un impuesto a las licencias comerciales. El impuesto a las licencias comerciales por unidad de vivienda propuesto reemplazaría al impuesto a las

licencias comerciales sobre los ingresos brutos que algunos dueños de departamentos han pagado.

Las viviendas sin fines de lucro – Incluyendo las viviendas sin fines lucrativos para ciudadanos mayores – estan exentas de pagar el impuesto a las licencias comerciales existente y estarían exentas de este impuesto propuesto.

Fórmulas del Impuesto a las Licencias Comerciales

Las ciudades pueden usar diferentes fórmulas para gravar distintos tipos de negocios. Esto puede incluir la utilización de tarifas planas en dólares para algunos negocios y un porcentaje de los ingresos brutos por otros tipos de negocios. A veces las ciudades usan una fórmula en particular porque es un método más eficiente de recaudación impositiva.

El impuesto propuesto sobre los propietarios residenciales solo se aplicaría a las propiedades ubicadas en Antioch. Esto cumple con los requisitos Constitucionales de ser imparcial y distribuido para no cargar al comercio interestatal.

Ingresos Generales para Todos los Servicios Municipales

Los ingresos provenientes del ímpuesto serían depositados en el fondo general de la Ciudad. Se podrían usar para cualquier propósito municipal legal incluyendo: policía y respuesta frente a emergencias; cumplimiento de los códigos; desarrollo de la economía local y creación de empleos; reparación de calles; y cualquier otro programa o servicio de la Ciudad.

Efecto de la Medida O

Votar "Si" en la Medida O es un voto para: 1) confirmar que el alquiler de una propiedad es un negocio sujeto a gravamen; 2) aplicar un impuesto anual a las licencias comerciales sobre los propietarios residenciales; y 3) mantener los impuestos a las licencias comerciales existentes para todos los demás negocios pero con un aumento del impuesto a las licencias comerciales mínimo para los negocios sujetos a la fórmula de ingresos brutos, con algunas excepciones.

Votar "No " en la Medida O es un voto en contra del impuesto a las licencias comerciales sobre los propietarios residenciales y al aumento del impuesto a las licencias comerciales.

Si la mayoría de los votantes votan "Sí" en la Medida O, esta se aprueba.

Respetuosamente,

Lynn Tracy Nerland, Abogada de la Ciudad de Antioch

ARGUMENTO A FAVOR DE LA MEDIDA O

La Ciudad de Antíoch carece de ingresos para brindar los niveles adecuados de servicios municipales a la comunidad. Sufriendo los recortes de personal y de los gastos operativos del 30% desde 2007, todas las funciones del Fondo General están significativamente sub-dotadas de personal, incluyendo la Policía, el Cumplimiento de Códigos, Obras Públicas, Planificación, Construcción, y los departamentos administrativos. Como resultado, el departamento de policía, la oficina de obras públicas y el Ayuntamiento están todos cerrados los viernes.

Antioch no tiene un problema de gastos. Antioch tiene un problema de *ingresos*. Los bajos valores de las propiedades, los bajos ingresos provenientes del impuesto a la propiedad y del impuesto a las ventas le dan a Antioch ingresos al Fondo General mucho menores que las ciudades del Condado comparables en tamaño, a \$404.36 por residente (presupuesto 2014-15). En comparación, Concord recibe \$681.68 y Richmond, a \$1,255.75, recibe más del triple de los ingresos de Antioch. Pittsburg y Brentwood reciben \$555.84 y \$817.35 respectivamente.

Un grupo de ciudadanos de Antioch comenzaron una iniciativa para ajustar el Impuesto a las Licencias Comerciales para los propietarios residenciales a \$240 por unidad por año. Luego de meses de negociaciones entre la Asociación de Departamentos de California, los líderes de la iniciativa de los ciudadanos y la Ciudad, la Ciudad propuso un cargo anual de \$250 por unidad para las casas separadas que se alquilen y \$150 por unidad para unidades de alquiler multifamiliares. Esto equivaldrá a \$20.83 por mes para las casas de alquiler y a \$12.50 por mes para los departamentos - aproximadamente el uno por ciento (.8% a 1.2%) de la renta bruta, que será pagado por los propietarios. Los ciudadanos estuvieron de acuerdo. La Asociación de Departamentos no.

Muchos inversores acaudalados que compraron casas en Antioch no han estado pagando el Impuesto a las Licencias Comerciales. Es hora de que lo hagan. Están haciendo millones en Antioch, mientras disfrutan de las ventajas impositivas de la inversión en bienes raíces. La Medida O asegurará que paguen la parte que les corresponde en Antioch. Después de todo, todos los propietarios se beneficiarán enormemente de los servicios adicionales que la Ciudad financiará con estos ingresos.

ÚNASE A LOS CIUDADANOS DE ANTIOCH PARA APOYAR A LA MEDIDA O.

Concejo Municipal de Antioch, Wade Harper, Alcalde de Antioch

Hansel Hon Tao Ho, Ex Comisionado de Prevención de Delitos

James Kenneth Gray Jr., Miembro de la Junta - Autoridad de Tránsito de Contra Costa Este

Donald P. Freitas, Ex Alcalde – Cludad de Antioch Robin Agopian, Residente

ARGUMENTO EN CONTRA DE LA MEDIDA O

En junio, el Contra Costa Times informo que la Ciudad de Antioch tiene un superávit presupuestario según el propio Director de Finanzas de la Ciudad. Pero una vez más, el Concejo Municipal de Antioch está tratando de aumentar los impuestos a sus ciudadanos.

Y una vez más el Concejo Municipal ha propuesto una medida impositiva que evade el requisito del voto de los dos tercios, facilitando así aún más el aumento de los impuestos sin exigir a la Ciudad que revele de qué manera se gastará el dinero.

El año pasado, los votantes de Antioch apoyaron un aumento masivo de impuestos – la Medida C. El Concejo Municipal declaró (falsamente) que el dinero sería utilizado para contratar 22 agentes de policía nuevos. Pero el Contra Costa Times reveló que el dinero de la Medida C nunca se utilizó para contratar 22 agentes de policía nuevos; y otro informe periodístico declaró que los votantes de Antioch estaban siendo "embaucados sobre el uso de los fondos de la Medida C".

¡Con la Medida O, el Concejo Municipal está tratando de aprovecharse de los votantes otra vez!

- Muchos ciudadanos mayores en última instancia pagarán el impuesto de la Medida O.
- No existe absolutamente ninguna garantía de cómo se gastará el dinero de la Medida O.
- El Director de Finanzas de Antioch dijo que la Ciudad tiene un superávit presupuestario.

Es irresponsable que el Concejo Municipal aumente los impuestos dando como resultado costos más altos para los ciudadanos mayores – muchos que viven de sus ingresos fijos y son ancianos – y con la menor capacidad para afrontar el aumento de los pagos mensuales.

El Concejo Municipal debería simplemente confiar en los votantes y brindar un plan de gastos detallado cuando pide nuevos impuestos. Pero en cambio, el Concejo Municipal está pidiendo otro cheque en blanco, y usando una campaña de amedrentamiento para influenciar a los votantes desprevenidos.

Entonces si el Concejo Municipal no va a confiar en los votantes, ¿por qué deberíamos confiar en el Concejo Municipal con otro aumento impositivo más? Por favor, únase a los ciudadanos mayores, los propietarios de viviendas y los propietarios de negocios en Votar NO en la Medida O.

"Section 3-1.217 RESIDENTIAL LANDLORD

- (C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3. CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX

of the Antioch Municipal Code are hereby confirmed. Any business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

From	То	Tax
\$0.00	\$20,000.00	\$100.00 (except for non- Professional Home Occupation businesses which shall pay \$25.00)
\$20,001.00	\$1,000,000.00	\$1,25 / \$1,000.00 of gross receipts
\$1,000,001.00 & above		\$1,250.00 plus 20 ¢ / thousand dollars of gross receipts over \$1,000,000.00

SECTION 4. AMENDMENT. This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

SECTION 9. <u>CERTIFICATION</u>: Upon approval by the voters, the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause it to be published according to law.

Ordinance No. 2094-C-S was submitted to the People of the City of Antioch at the November 4, 2014 municipal election. It is hereby certified that this Ordinance was **APPROVED** by the following vote of the People of Antioch:

I. BACKGROUND

The City of Antioch was incorporated in 1872 as a general law city operating under the City Council/City Manager form of government. Antioch is a suburban city providing quality police, water, streets, parks, engineering, planning, and administrative services. The City has approximately 285 employees and an annual operating budget in excess of \$124 million.

The City has approximately 3,200 active business licenses, with a fiscal year 2015 budget of \$1,111,000 in business license tax revenue. In November 2014, Antioch voters approved Measure O, an update to the City's existing business license tax. Specifically, Measure O imposes an annual business license tax on residential landlords on the rental or leasing of detached single family dwelling units at \$250.00 per dwelling unit and attached multi-family dwelling units at \$150.00 per dwelling unit. The minimum tax for those businesses subject to the gross receipts tax formula, except for certain home occupation businesses, will be increased to \$100. Measure O became effective December 9, 2014. The ordinance language of Measure O can be found in Exhibit A to the RFP.

Section 1, Chapter 1 of Title 3 of the City's Municipal Code governs the City's business licenses and associated tax. The Municipal Code Chapter can be found at http://www.amlegal.com/antioch ca/.

The City will endeavor to administer the proposal process in accordance with the terms and dates outlined in this RFP, however, the City reserves the right to modify the activities, time line, or any other aspect of the process at any time, as deemed necessary. By requesting proposals, the City is in no way obligated to award a contract or pay the expenses of proposing vendors in connection with the preparation or submission of a proposal. The award of any contract shall be contingent on the requisite staff and Council approvals if required. Determination of best value to the City shall be based upon, but not limited to, the following considerations: cost; the ability, capacity, and skill of the proposer to provide the services; the ability of the provider to deliver timely services; the character, integrity, reputation, judgment, experience, and efficiency of the provider. No single factor will determine the final award decision. Please describe all other services that may be used in the determination for award of bid.

II. QUALIFYING REQUIREMENTS

The intent of this RFP is to identify a firm that can offer the highest quality of service at the lowest overall cost to the City of Antioch. STAFF REPORT TO THE CITY COUNCIL

DATE:

Regular Meeting of February 24, 2015

TO:

Honorable Mayor and Members of the City Council

SUBMITTED BY:

Dawn Merchant, Finance Director

SUBJECT:

Business License Discovery/Recovery Contract

RECOMMENDED ACTION

It is recommended that the City Council approve entering into a contract for business license discovery/recovery services with MuniServices for a two year term, with the option to renew for an additional two years. The fee is on a contingency basis and will be 32.5% of new revenues generated directly by MuniServices. The fee will apply to revenues for the current tax year, all eligible prior period revenues and any applicable penalties, interest and late charges.

STRATEGIC PURPOSE

This action is essential to Strategy L-4 in the Strategic Plan: "Implement City Council policies and direction," as well as Strategy N-2: "Ensure the City achieves long-term fiscal sustainability." The City Council placed Measure O on the ballot to generate additional revenues for the City's General Fund by instituting a residential landlord tax and raising the minimum business license tax. Measure O aids the City in achieving long-term fiscal sustainability. Council further directed that a Business License Representative and outside discovery/recovery firm be hired. It is important to have tools in place to ensure the City is implementing Measure O and collecting all revenues entitled to achieve the maximum financial impact.

FISCAL IMPACT

The cost of this contract will fluctuate depending on the new revenues generated by MuniServices under the scope of work. The fixed contingent fee will be 32.5% of new revenues collected. For example, \$400,000 in new revenue would equate to \$130,000 in fees. Should the company assist in discovery of rental units under Measure O, \$2,000,000 in new revenue would equate to \$650,000. The fees will be paid out of the new revenue generated and will not be paid from any other General Fund sources or reserves.

DISCUSSION

On December 31, 2014 the City issued Request for Proposal No. 946-1231-15F for business license discovery/recovery services. Bids were due January 29, 2015. Three bids were received. Interviews of two finalists were conducted on February 9, 2015 by a panel of staff members. After careful review of proposals submitted and the results of the interview process, City staff is recommending that the contract be awarded to

MuniServices for a two year term, with the option to renew for another two years. Staff feels that MuniServices qualifications and services that can be provided are best suited for the City's needs. In addition, MuniServices currently provides the City with sales tax services and therefore has a strong working relationship with the City.

MuniServices will provide local tax compliance discovery and audit to assist the City in identifying businesses that are conducting business in the City but are not currently licensed. As part of this, MuniServices will work directly with the business to achieve compliance and explain the City's Municipal Code and policies. MuniServices can also provide deficiency audit services to identify businesses that may not be paying the full amount of tax to which they are subject to under the ordinance.

Program Objectives and Methods

Our LTC service is designed to assist the City in locating tax revenue that the City may not be receiving from its local tax registry MuniServices provides detection, documentation and correction of errors and omissions causing deficiencies thereby producing new revenue that would not otherwise have been realized by the City. Moreover, our team of 12 full-time, local tax compliance employees works in full and collaborative partnership with City revenue staff to supplement the operations and procedures currently in place.

The LTC service also aims to reduce future errors by informing the businesses that are identified as having errors or omissions about the proper methods of compliance informing business owners of the requirements of the ordinance helps to prevent future mistakes by businesses making future enforcement efforts by the City less burdensome for the City.

RE: RESIDENTIAL LANDLORD BUSINESS LICENSE REQUIREMENTS

Dear Sir/Madam:

In November 2014, Antioch voters approved Measure O, an update to the City's existing business license tax. Specifically, Measure O imposes an annual business license tax on residential landlords on the rental or leasing of detached single family dwelling units at \$250.00 per dwelling unit and attached multi-family dwelling units at \$150.00 per dwelling unit. Measure O became effective December 9, 2014.

It has come to our attention that you own rental property within the City of Antioch. For any rental properties located within the City, you must obtain a business license in order to comply with the City's Municipal Code.

For your convenience, an application and return envelope are enclosed. Please complete the enclosed application, listing **all** rental properties owned within the City, with applicable taxes and fees due. Please note that there is a \$30 application fee and \$1 state mandated fee due in addition to the Measure O tax, as listed above, with the application. Please note that only one \$30 application fee is due regardless of the number of properties/units listed on the application. For detached single family dwelling units, a separate business license will be issued for each location.

Each new application (not renewal) submitted in the future will require an application fee for those additional properties listed that are being licensed.

Thank you for your prompt attention to this matter. If you have already complied with the requirements and have received your business license certificate disregard this letter and we THANK YOU for your compliance. Should you have any questions, please do not hesitate to contact our business license department at (925) 779-7059.

Sincerely,

Business License Department

- After staff has provided its report, and the Board is finished with its questions of staff, you will then be called to the podium to speak. Please come up and speak at the podium, not from the audience.
- You will have **five (5) minutes** to present the reasons why you are appealing the citation.
- Any other additional persons who may oppose or support your appeal can fill out speaker cards and speak for three (3) minutes.
- The Board may then ask City staff for a rebuttal to the statements you or others made in support or opposition of your appeal. This rebuttal is only for three (3) minutes.
- Then the hearing is completed and the Board will then issue its ruling on your appeal.

Your Burden:

- It is your appeal and therefore you bear the burden to prove that the citation was wrongfully issued.
- To win your appeal, you must have a majority of the Board uphold your appeal (3 of 5, or 2 of 3).
- If the Board determines there was in fact good reason to issue the citation, your appeal will be denied and the citation amount that you deposited to have your appeal will not be refunded.

How The Board Will Rule:

The Board can only rule one of two ways:

- To uphold your appeal and dismiss the citation.
- To deny your appeal and uphold the citation.

Written Findings and Order:

- ➤ The Board will render their findings and recommendations after the hearing is concluded or as soon as possible.
- You will be mailed the written decision of hearing within ten (10) days of the hearing.
- The decision of the Board is the final ruling on your appeal from the City.

MuniServices Contract approved by City Council

At the February 24, 2015 Council Meeting, City Council approved the contract with MuniServices (Attachment E) to help identify business owners in the City of Antioch. Their primary functions are to identify owners of both commercial and residential businesses, collect the revenue, and submit the applications with payment to the City of Antioch at which time the Business License Representative enters them in to the City of Antioch's Business License System and collects any money through renewals going forward.

Regarding Antioch Municipal Code:

(A) In lieu of any other business license tax and subject to division (B) below, all those in the business of renting living quarters, including but not limited to a rental dwelling unit as defined in § 5-20.201 of the Antioch Municipal Code, shall pay the annual license amount indicated in the table immediately below based on the total number of units they are renting or have available for rent within the city and the type of unit as defined in the Municipal Code:

Type of Unit	Annual Tax
Single family dwelling unit	\$250 per unit
Multi-family dwelling unit including duplexes, condominiums and apartments	\$150 per unit

- (B) The following living quarters are excepted from this requirement to pay a business license tax based on dwelling units but still must pay the tax based on gross receipts:

 - (2) Those that are exempt as a matter of law; and

- (C) The Director of Financial Services may promulgate policies and procedures to administer this tax. (Ord. 2094-C-S, passed 12-9-14)

RENTAL DWELLING UNIT AS DEFINED IN OUR MUNICIPAL CODE:

"Any building or portion of a building in the city that contains living facilities, including provisions for sleeping, eating, cooking, and sanitation, which is hired, rented or leased by a person within the meaning of Cal. Civ. Code § 1940. A "rental dwelling unit" includes a single family dwelling, either attached or detached, or a unit in a multifamily or multipurpose dwelling, or a unit in a condominium or cooperative housing project, or any room or group of rooms located within a dwelling and forming a single unit with facilities that are used or intended to be used for living, sleeping, cooking or eating. The definition of "rental dwelling unit" applies to any dwelling space that is actually used or available for residential purposes whether or not the residential use is legally permitted."

DISCUSSION

Mr. Beaudin received the following notifications for his rental property located at Grangnelli Avenue requesting compliance with Measure O. Our office was not aware of his additional rental property on Palo Verde Way at this time. Please refer to Attachments F–J for the notifications mailed to Mr. Beaudin on his property located at Grangnelli Avenue:

 MuniServices sent 1st letter along with a declaration of information and business license application.

- 07/29/15 MuniServices sent 2nd letter along with a declaration of information and business license application.
- 09/08/15 MuniServices sent 3rd letter along with a declaration of information and business license application.
- 10/07/15 MuniServices sent a FINAL NOTICE along with a declaration of information and business license application.
- 06/02/17 MuniServices sent a follow up Notice of Violation.

All letters mailed by MuniServices included an application with instructions to list <u>ALL</u> rental property addresses.

Per Antioch Municipal Code:

■§ 3-1.203 PENALTIES.

- (A) Unless otherwise specified by the terms of a particular license, taxes are due and payable within 30 days following expiration date of the license.
- (B) Any business license tax not paid when it becomes due and payable shall be delinquent and the following penalties added to it as follows:
- (1) Ten percent of the business license tax for a delinquency after 30 days from the expiration date;
- (2) Thirty percent of the business license tax for a delinquency of 60 days from the expiration date plus a new application fee as provided in § 3-1.120; and
- (3) Fifty percent of license tax for a delinquency of 90 days from the expiration date plus a new application fee as provided in § 3-1.120.
- (C) Failure to pay the business license tax is a violation of the Antioch Municipal Code and a public nuisance. The city may seek any remedies available to it for such violation and public nuisance.
- (D) Any business operating in violation of the Antioch Municipal Code or as a nuisance is subject to water service disconnection, subject to noticing requirements under the law. (Ord. 2082-C-S, passed 3-25-14)
 - Per State Statute of Limitation:

Section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return was filed with the IRS. Similarly, under 301.6501(a)-1(b) of the Tax Regulations no proceeding in court by the IRS

without assessment for the collection of any tax can begin after the expiration of 3 years.

The final letter sent from MuniServices on June 2, 2017 contained the following statement (fifth and sixth paragraphs) notifying Mr. Beaudin that if compliance was not made, he could be subject to citation from the City:

Required correction: Within 15 calendar days from the date of this notice, you must contact MUNI Services, LLC by phone at 1-800-987-0999 or in person at 200 H Street, Antioch, CA and obtain a business license for the above property or file an appeal with the office of the City Clerk.

I hope you take this one-time opportunity to voluntarily abate the above violation(s) and public nuisance without the need for the City to issue Administrative Citations, which carry fines that range from \$100 to \$1,000 for every day the violation(s) are permitted to remain and/or take other action to compel your compliance.

Mr. Beaudin came to City Hall and spoke with Business License Representative Sonia Johnsen regarding the MuniServices letter received for his property on Grangnelli Avenue. She explained that he needed to comply with Measure O requirements which were \$250 per single family home, per year, or \$150 per unit, per year, for a multi-family dwelling. Mr. Beaudin said he would comply for the current 2017 year of billing for his property at Grangnelli Avenue, not the two years prior (since the enactment of Measure O). Mr. Beaudin did not mention his additional property at Palo Verde Way to Business License Representative Johnsen during this visit.

On July 28, 2017, our office conducted a search for additional properties with the County records and found two additional properties owned by Mr. Beaudin. The property addresses are ____ E Street and Palo Verde Way. These properties were not disclosed on Mr. Beaudin's Business License Application. The following actions were taken by the City when Mr. Beaudin continued to fail to comply:

- 07/28/17 No compliance was received from Mr. Beaudin. A \$100 Administrative Citation was issued for each of his three properties:
 Grangnelli Avenue, E Street, and Palo Verde Way. Along with the Administrative Citations was a letter explaining Measure O as well as the Business License Application listing all three of his properties with the amount due. The Administrative Citations had a due date of 08/12/17 (Attachment K).
- <u>08/21/17</u> No compliance was received from Mr. Beaudin through MuniServices or the City of Antioch. A \$200 Administrative Citation was issued for each of his three properties listed above (Attachment L).
- 08/31/17 Mr. Beaudin came in and complied with Measure O (Attachment M).

08/31/17 – Mr. Beaudin filed an appeal with the City Clerk's Office for the \$200
Administrative Citation No. 2165 issued on August 21, 2017 for the property on
Palo Verde Way (Attachment N).

RECOMMENDATION:

It is Staff's recommendation to uphold the \$200 Administrative Citation No. 2165 issued on August 21, 2017 for violation of the Antioch Municipal Code Business License Required and Residential Landlord Business License Tax (Measure O).

RESOLUTION NO. 2014/61

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ANTIOCH
CALLING FOR AND NOTICING A MUNICIPAL ELECTION ON NOVEMBER 4, 2014
TO PRESENT TO VOTERS A MEASURE TO
UPDATE THE EXISTING BUSINESS LICENSE TAX ORDINANCE
TO INCLUDE A RESIDENTIAL LANDLORD BUSINESS LICENSE TAX AND
TO CONFIRM THE EXISTING BUSINESS LICENSE TAX,
WITH AN INCREASE IN THE MINIMUM TAX

WHEREAS, the Antioch City Council desires to place a ballot measure before the voters at the November 4, 2014 regular municipal election to update the City's existing business license tax ordinance as set forth in Chapter 1 of Title 3 of the Antioch Municipal Code; impose a residential landlord business license tax; and maintain the existing business license taxes for all other businesses with an increase in the minimum tax to \$100.00 for those businesses subject to the gross receipts tax formula except for certain home occupation businesses, with such ordinance attached as Exhibit 1; and

WHEREAS, under existing ordinances, some residential apartment landlords are assessed an annual business license tax based on their gross annual income and others were not assessed any business license tax at all; and

WHEREAS, renting out property in the City of Antioch is a business and such business owners should pay a business license tax like other businesses owners in the City of Antioch to fund municipal services to those businesses and their tenants; and

WHEREAS, the majority of residential landlords do not pay a business license tax; although they benefit financially from tax advantages, including depreciation for tax purposes, while historically enjoying asset appreciation; and

WHEREAS, the City has insufficient funds to provide the necessary services to the Antioch community, which has only been exacerbated by the national economic recession and State's dissolution of redevelopment agencies, requiring severe cuts to City services, including reduced Police services with the elimination of School Resource Officers and Traffic Enforcement, virtual elimination of Code Enforcement, reduced street repairs and maintenance, reduced services at the Animal Shelter and Recreation Programs and less access for the public given the weekly closures of City facilities; and

WHEREAS, confirming and updating the City's existing business license tax ordinance as set forth in Chapter 1 of Title 3 of the Antioch Municipal Code by imposing a residential landlord business license tax and maintaining the existing business license taxes for all other businesses with an increase in the minimum tax to \$100.00 for those businesses subject to the gross receipts tax formula except for home occupation businesses that are not defined as professionals whose minimum tax shall remain \$25.00, the revenues of which are legally required to stay in Antioch to maintain local services for

general governmental purposes is vital to the preservation of the public health, safety and welfare; and

WHEREAS, the City Council is authorized to request and order that this general municipal election be consolidated with other elections to be held on November 4, 2014 and in the same territory (California Elections Code sections 10400 *et seq.*) so that within the City, the precincts, polling places, and election officers for the two elections be the same; that the Contra Costa County Registrar of Voters canvass the returns of the general municipal election; and this general municipal election and the November 4, 2014 general election be held in all respects as if there were only one election;

WHEREAS, this resolution is adopted by a two-thirds vote of all five council members as required by Government Code section 53724(b) and consolidated with the Statewide general election as required by Government Code section 53724(c);

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ANTIOCH DOES RESOLVE AS FOLLOWS:

Section 4. Specifications of the Election Order

a. Request to Consolidate, Conduct Election and Canvass Returns

The Board of Supervisors of the County of Contra Costa is hereby requested to authorize the County Registrar of Voters to render services necessary for the conduct of the general municipal election called by this Resolution. Pursuant to California Elections Code section 10403, the City Council hereby requests that the Contra Costa County Board of Supervisors consolidate that election with the Statewide general election to be conducted on November 4, 2014 and order the general municipal election to be conducted by the Registrar of Voters. The Contra Costa County Elections Department is authorized to canvass the returns of the election, and the elections shall be held in all respects as only one election. The ballots to be used in the election shall be in form and content as required by law.

The City Clerk's Office is authorized, instructed and directed to work with the County Elections Division as needed to properly and lawfully conduct the election. In all particulars not recited in this Resolution, the election shall be held and conducted as provided by law for holding municipal elections.

The notice of the time and place of holding the election is hereby given, and the City Clerk and County Registrar of Voters are authorized to give further notice of the election, as required by law.

b. Costs

The City will reimburse the County for the actual cost incurred in conducting the election upon receipt of a bill stating the amount due as determined by the Registrar of Voters.

c. Wording of the Measure

The working of the ballot measure is as specified in Section 2 of this resolution.

d. Full Text of the Measure

The full text of the "Ordinance of the City of Antioch to Update the Existing Business License Tax Ordinance to include a Residential Landlord Business License Tax and to Confirm the Existing Business License Tax with an increase in the Minimum Tax," which is attached as Exhibit 1 to this resolution, shall be completely printed in the Voter Information Pamphlet.

e. Passage of the Measure

This business license tax ballot measure is a general tax requiring the approval of a majority of qualified electors casting votes. While the measure lists several of the various municipal purposes to be funded, the list is illustrative only and the City Council retains complete discretion to expend the tax proceeds for any lawful purpose of the City of Antioch.

f. Boundaries

The City of Antioch's boundaries have changed since the November 5, 2013 election and information about that change has been provided to the County Clerk-Recorder/Registrar of Voters.

Section 5. Publication of Measure

The City Clerk's Office is hereby directed to cause notice of the measure to be published once in accordance with Section 12111 of the Elections Code, in the form attached as Exhibit 2 to this resolution.

Section 6. Submission of Ballot Arguments

Per the direction of the Registrar of Voters, the City Clerk's Office has fixed 5:00 p.m. on Wednesday, August 20, 2014 as the deadline for submittal of arguments for or against the measure.

The direct arguments ("in support and against") shall not exceed three hundred (300) words, and shall not be signed by more than five (5) persons. The City Council does not adopt the provisions of Elections Code Section 9285(a) and repeals any previous resolution implementing that section which might remain in effect; there shall be no rebuttal arguments.

Section 7. Council Preparation of Argument In Support of Measure

The City Council hereby authorizes the Mayor or Mayor Pro Tem to prepare and file the written primary argument on behalf of the City Council in support of the ballot measure described above, pursuant to Article 4 of Chapter 3 of Division 9 of the California Elections Code. The City Council authorizes the Mayor and Mayor Pro Tem to determine the signatories to the ballot argument.

Section 8. Impartial Analysis

Pursuant to California Elections Code Section 9280, the City Council hereby directs the City Clerk's Office to transmit a certified copy of the measure to the City Attorney. The City Attorney shall prepare an Impartial Analysis of the measure, not to exceed 500 words in length, showing the effect of the measure on the existing law and the operation of the measure. Per the direction of Registrar of Voters, the Impartial Analysis shall be transmitted to the City Clerk and Registrar of Voters by no later than 5:00 p.m. on Friday, August 15, 2014.

Section 9. Implementation.

The City Clerk's Office is directed to file with the Board of Supervisors certified copies of this resolution, with a copy to the Registrar of Voters of Contra Costa County, pursuant to California Elections Code section 10403.

Section 10. CEQA

The approval of this Resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The business license tax update to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action or actions. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific

project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the City would undertake the required CEQA review for that particular project. Therefore, under CEQA Guidelines section 15060 review under CEQA is not required.

Section 11. Passage of this Resolution.

This Resolution shall become effective immediately upon its passage and adoption.

I HEREBY CERTIFY that the foregoing resolution was passed and adopted by the City Council of the City of Antioch at a regular meeting thereof, held on the 24th day of June, 2014, by the following vote:

AYES:

ORDINANCE NO.

AN ORDINANCE OF THE CITY OF ANTIOCH TO UPDATE THE EXISTING BUSINESS LICENSE TAX ORDINANCE TO INCLUDE A RESIDENTIAL LANDLORD BUSINESS LICENSE TAX AND TO CONFIRM THE EXISTING BUSINESS LICENSE TAX, WITH AN INCREASE IN THE MINIMUM TAX

(C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3. CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX ORDINANCE AND RATE. The business license tax provisions in Chapter 1 of Title 3 of the Antioch Municipal Code are hereby confirmed. Any business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

SECTION 4. AMENDMENT. This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

Frequently Asked Questions about Measure O Residential Landlord and Business License Tax Update

Q: Why does Antioch need to update the Business License Tax?

A: Antioch continues to face a severe fiscal crisis due to very low revenues. We are among the poorest city governments in the County. With Measure C, our budgeted General Fund revenue for fiscal year 2014/15 is \$43,046,381. With a population of 106,455, that puts our per capita (per person) revenue at only \$404.36 (which means \$404 per year per resident to provide all services including Police, streets, parks, recreation, senior and youth programs, administration, etc). Compare this to our neighboring cities of Brentwood at \$817.35 and Pittsburg at \$555.84. Comparable sized cities Concord and Richmond are at \$681.68 and \$1255.75 - a General Fund three times as large as Antioch's.

Q: Why can't the City just cut costs?

- A: Since 2007, the City has taken severe actions to reduce costs and avoid bankruptcy, including:
 - Reducing staffing by 30% through layoffs, retirements and attrition.
 - Eliminating cost-of-living increases and decreasing management salaries 10%.
 - · Implementing furloughs and closing City business offices on Fridays.
 - Reducing benefit payments by increasing employee contributions towards retirement costs and drastically reducing medical after retirement benefits for new employees.
 - Reducing other expenditures by cutting service, supply and equipment costs, and deferring vehicle, building and equipment maintenance.

Q: What about the Measure C (sales tax measure) funding?

- A: With approval of the 2014/15 budget, the City Council directed 100% of Measure C revenues toward the hiring of more Police Officers, which is well in progress, and augmenting Code Enforcement services. However, even with Measure C funds:
 - The General Fund revenue is still down \$4.2 million from the height in 2007. That is an 8.9% reduction.
 - Multi-million dollar budget deficits are projected starting in fiscal year 2016/17. At this pace, the City's reserves will be exhausted by June of 2019.
 - Measure C is only approved for seven (7) years, expiring in 2021, so sustainable, ongoing revenue needs to be identified.

Q: What is Measure O?

A: Measure O is an increase in the minimum Business License Tax and it will get **residential landlords to pay a tax based on the number of units rented**. In June, the City Council authorized placing a measure on the local November ballot to specifically add the business of renting or leasing of residential property as a business and subject to taxation.

Q: How much will landlords have to pay?

A: Residential landlords will pay \$250 per year for single family dwelling rentals (e.g. houses) and \$150 per year for multi-family rental units (e.g. apartments and condos).

Q: Are there exemptions from the new Business License Tax on Landlords?

A: Hotel/motel, hospital, convalescent, extended care (nursing) and residential care (assisted living) facilities are exempt from the proposed per unit fee. Non-profits continue to be exempt from the Business License Tax.

Q: How much will businesses have to pay?

A: The minimum annual Business License Tax will go from \$25, where it was in the 1960's, to \$100. The City Council heard the request of the Chamber of Commerce to not raise the tax on smaller home-based businesses, which will remain at \$25.

Q: How did Measure O come to be?

A: In 2013, a group of citizens requested that the City Council add the rental or leasing of residential property to the business license ordinance at a rate of \$240 per unit per year. The City Council decided to only bring one measure forward, and moved ahead with the sales tax ordinance (Measure C). However, the Council directed staff to work with the citizens group and the California Apartment Association to develop a measure for 2014. The citizens group agreed with the City's compromise proposal, but the Apartment Association did not.

Q: Why did the City Council put Measure O on the ballot?

A: In 2013 the City Council declared a Fiscal Emergency, and, although Measure C was successful, the City's approved budget still has projected budget deficits of over \$3,000,000 per year starting in FY 2016/17. The City Council felt that City services have already been cut to unacceptable levels and, given the temporary nature of Measure C funding and the projected multi-million dollar deficits, that having residential landlords pay a per unit Business License Tax was the best alternative to stabilize the City's finances.

The purpose of Measure O is to provide General Fund revenue to help eliminate the projected structural deficits and improve essential community services such as:

- Reopening City Hall, the Public Works office, and the Police Department lobby five (5) days a week.
- Further enhancing Police, Code Enforcement and blight elimination activities, such as graffiti and dumping abatement.
- Reinvesting in infrastructure and maintenance, such as streets, landscaping and buildings to improve the appearance of the community and increase property values.

Q: Can the City provide a full range of services without additional revenue?

A: No. Without additional revenue the City will be deficit spending by fiscal year 2015/16. This will require further cuts in expenditures, necessitating staffing reductions in General Fund departments, including the Police Department.

Q: How do we know these funds will be spent responsibly?

A: The City's finances are independently audited every year. City budgets are posted on the City web site. In addition, all City revenues are reported and discussed at public meetings during the annual budget process.

Q: Can these funds be taken by Sacramento?

A: No. By law, these are locally approved funds and <u>can only be used for local Antioch</u> <u>services</u>. Not a penny can be taken by the State or the County.

Q: When is the election?

A: Tuesday, November 4, 2014.

Q: How can I find out more factual information about Measure O?

A: For the full text of Measure O and the City Attorney's Impartial Analyses, visit www.ci.antioch.ca.us or call 779-7011 for more information.

CITY OF ANTIOCH, COUNCILMEMBER

LORI OGORCHOCK

Local Business Woman

No mistaking, I'm passionate about Antioch! After graduating Antioch High, with Richard, my husband of 31 years, we raised our 3 children here. Later graduated LMC's Police Reserve Academy and was a former Walnut Creek Police Reserve Officer.

Twelve years ago I retired from CSAA to run my own Real Estate business. After work I give back to the community I love. I've sat on Sutter Elementary School Site Council, several boards for youth baseball, football, helped design and install City Park.

On Keller Williams leadership team, I organized civic events, planting community gardens and assisting Veterans. I'm the incoming Treasurer for the Delta Association of Realtors, future Director for California Association of Realtors, a Rotarian and the incoming Club Service Chair.

Antioch will flounder if it remains reactive. We must grab the bull by the horns with fearless leadership. Let me bring my candid, roll-up your sleeves approach to our City Council.

My Four Main Goals:

 Community Safety 1st! I will Insure Measure C funds are used as promised for police, plain and simple
 Revitalize Downtown; Our seniors deserve only the best freatment, building condos where there should be a park is just foolishness

Tax Business Reasonably; simplify taxes, be fair

Economic Growth; safety and business friendly attitudes will stimulate our city and economy

"A" should stand for Antioch, not "Afraid", I am a successful business woman, a proven doer with common sense and spine. I can't bring results alone, though. I need your support!

LAMAR THORPE

Community College Administrator

In 1981, I was born in prison to a mother addicted to heroln. At two days old, I was placed in foster care and raised by a family who immigrated to the US from Mexico. As a result, my first language is Spanish. In 5th grade, I was placed in Special Education and subsequently graduated high school not knowing how to read and write. After two semesters in junior college, I was asked to leave because I was illiterate. With nowhere else to go, I enlisted in the

Today, I'm a proud 8 year Navy veteran, two time graduate of The George Washington University, higher education administrator, and member of the Antioch Economic Development Commission. I'm running for city council to create opportunities for our residents to build a more secure livelihood and a sense of dignity. I chose to raise my family in Antioch, but what I did not choose was violent arises and an impalance between crime, an 8% local unemployment rate, and an imbalance between jobs and housing.

Since the foreclosure crisis, many in Antioch have resorted to working two to three part-time jobs, often receiving low wages to keep their homes and put food on the table. As a councilmember, I will fight to advance policies that are going to:

Incentivize high paying job growth in manufacturing, research and development and biotechnology;

Build Antioch's police and code enforcement divisions; and, Streamline government to foster a collaborative environment between business, labor and City Hall.

I humbly ask for your vote.

DIANE GIBSON-GRAY

Executive Director/Trustee

The city of Antioch is at a crisis point and good leadership requires experience. My business, community service, elected and appointed office experiences, combined with my lifetime knowledge of Antioch qualifies me to serve on the Antioch City

Below are my three top priorities:

- Quickly hire public safety employees and get additional "boots on the ground". Police officers, code enforcement and support staff must be hired now!
- Increase city services to the public by bringing back city employee's 40-hour work week.
- 3. Transportation improvements (widening Highway 4, E-Bart and Highway 160 connector ramps) makes Antioch an attractive development opportunity; now is the time for discussions with potential new business entities.

I have worked 28 years in the cable telecommunications industry, 10 years as a nonprofit Executive Director for the Arts & Cultural Foundation, and over 25+ years as an active community volunteer. I am in my second term as a Trustee for the Antioch Unified School District. I currently serve on the Executive Board for the Antioch Chamber of Commerce and have been a Planning and Recreation Commissioner. I am a Rotarian and a Women's Club member and a 50+ year resident of Antioch.

The residents of Antioch deserve to live in a safe community, have access to public services and have smart growth that will leave a lasting positive legacy.

Elect a Council Member with experience, willing to make needed changes and ready to do the job today. Vote for Diane Gibson-Grav.

We are aggressively recruiting EXPERIENCED police officers and training dozens more at the Police Academy. We are making progress, with the goal of getting 22 additional officers on the

Fighting Gangs, Drugs and Illegal Weapons:

While we're hiring more officers, Antioch Police and the FBI are working overtime to PROACTIVELY take down criminals BEFORE they engage in violent behavior against citizens. I WHOLEHEARTEDLY SUPPORT THIS EFFORT.

Taking CRIME PREVENTION into Our Own Hands:

I'm proud of our residents who participate in monthly Antioch Police neighborhood cleanups; get involved in Neighborhood Watch (we have 480 "Block Captains"); even our garbage collectors and postal workers now CALL IN SUSPICIOUS NEIGHBORHOOD

Hiring more code enforcement officers to cite and fine negligent property owners, revitalizing RIVERTOWN, making City Hall more "business friendly", and attracting a great restaurant at Humphrey's – are also priorities.

LOCAL MEASURES SUBMITTED TO VOTERS

City of Antioch

MEASURE O CITY OF ANTIOCH

BUSINESS LICENSE TAX. To provide funding that cannot be seized by the State, to maintain such general City services as police services, code enforcement, street repairs, senior services and youth programs, shall the City of Antioch adopt a residential landlord business license tax based on the type and number of units and confirm the existing gross receipts business license tax with an increased minimum tax, which is not a tax on the general public?

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE O

The City Council voted unanimously to put Measure O on the ballot to ask voters to:

- Confirm that the rental of real property (e.g. land or building) is a business subject to taxation;
- Impose an annual business license tax on residential landlords renting Antioch property at \$250 per detached, single-family dwelling unit (e.g. house) and \$150 per attached, multi-family dwelling unit (e.g. apartment); and
- Maintain existing business license taxes for all other businesses, but with an increase in the annual minimum tax to \$100 for businesses subject to the gross receipts tax formula, except for certain home occupation businesses for which the minimum tax remains \$25.

Applicability of Business License Taxes

Business license taxes are not taxes on the general public. Businesses operating in Antioch pay the tax to provide funding for municipal services in Antioch. These municipal services, like police, code enforcement, street repair, park and median landscaping and maintenance, benefit businesses and residences in Antioch.

Landlords of commercial properties already pay business license taxes based on the existing gross receipts formula. Likewise, their commercial tenants pay business license taxes. Historically, the majority of residential landlords (single-family and multi-family) have not paid a business license tax. The proposed per dwelling unit business license tax would replace the gross receipts business license tax that some apartment owners have paid.

Nonprofits -- including nonprofit senior housing -- are exempt from paying the existing business license tax and would be exempt from this proposed tax.

Business License Tax Formulas

Cities may use different formulas for taxing different kinds of businesses. This may include using flat dollar amounts for some businesses and a percentage of gross receipts for other kinds of businesses. Sometimes cities use a particular formula because it is more efficient method of tax collection.

The proposed tax on residential landlords would only apply to properties located in Antioch. This meets Constitutional requirements to be nondiscriminatory and apportioned so not to burden interstate commerce.

General Revenue for All City Services

The tax revenue would be deposited in the City's general fund. It could be used for any legal municipal purpose including: police and emergency response; code enforcement; local economic development and job creation; street repair; and any other City program or service.

Effect of Weasure O

Voting "Yes" on Measure O is a vote to: 1) confirm that the rental of property is a business subject to taxation; 2) impose an annual business license tax on residential landlords; and 3) maintain the existing business license taxes for all other businesses but with an increase to the minimum business license tax for businesses subject to the gross receipts formula, with some exceptions.

Voting "No" on Measure O is a vote against the tax on residential landlords and the increased minimum business license tax.

If a majority of voters vote "Yes" on Measure O, it passes. Respectfully submitted,

Lynn Tracy Nerland Antioch City Attorney

ARGUMENT IN FAVOR OF MEASURE O

The City of Antioch lacks the revenue to provide adequate levels of municipal services to the community. Suffering from staffing and operating expense cuts of 30% since 2007, all General Fund functions are significantly understaffed, including Police, Code Enforcement, Public Works, Planning, Building and administrative departments. As a result the police department, the public works office and City Hall are closed on Fridays.

Antioch does not have a spending problem. Antioch has a <u>revenue</u> problem. Low property values, low property tax revenue, and low sales tax revenue give Antioch much lower General Fund revenues than comparably sized cities in the County, at \$404.36 per resident (2014-15 budget). In comparison, Concord receives \$681.68 and Richmond, at \$1,255.75, receives more than triple the revenue of Antioch. Pittsburg and Brentwood receive \$555.84 and \$817.35 respectively.

A group of Antioch citizens started an initiative to adjust the Business License Tax for residential landlords to \$240 per unit per year. After months of negotiations between the California Apartment Association, the citizen's initiative leaders and the City, the City proposed a \$250 per unit annual charge for detached houses being rented and \$150 per unit for multi-family rental units. This will equate to \$20.83 per month for rental houses and \$12.50 a month for apartments – about one percent (.8% to 1.2%) of gross rent, which will be paid by landlords. The citizens agreed. The Apartment Association did not.

Many wealthy investors that purchased houses in Antioch have not been paying Business License Taxes. It's time they did. They are making millions in Antioch, while enjoying the tax advantages of real estate investment. Measure O will ensure they pay their fair share in Antioch. After all, all property owners will benefit greatly from the additional services the City will fund with this revenue.

ARGUMENT AGAINST MEASURE O

In June, the Contra Costa Times reported that the City of Antioch has a budget surplus according to the City's own Finance Director. But once again, the Antioch City Council is trying to increase taxes on its citizens.

And once again the City Council has proposed a tax measure that side-steps the two-thirds vote requirement, thus making it even easier to increase taxes without requiring the City to reveal how the money will be spent.

Last year, Antioch voters supported a massive tax increase – Measure C. The City Council claimed (falsely) that the money would be used to hire 22 new police officers. But the Contra Costa Times uncovered that Measure C money was never used to hire 22 new officers; and another news report stated that Antioch voters were "hoodwinked on the use of Measure C funds."

With Measure O, the City Council is trying to take advantage of the voters again!

- Many senior citizens will ultimately be paying for the Measure O tax.
- There are absolutely no guarantees how the Measure O money will be spent.
- Antioch's Finance Director said that the City has a budget surplus.

It is irresponsible for the City Council to raise taxes resulting in higher costs for senior citizens – many on fixed incomes and elderly – and least able to afford increased monthly payments.

The City Council should simply trust the voters and provide a detailed spending plan when asking for new taxes. But instead, the City Council is asking for another blank check, and using scare tactics to influence unsuspecting voters.

So if the City Council won't trust the voters, why should we trust the City Council with yet another tax increase? Please join senior citizens, home owners, and business owners in Voting NO on Measure O.

FULL TEXT OF MEASURE O

AN ORDINANCE OF THE CITY OF ANTIOCH TO UPDATE THE EXISTING BUSINESS LICENSE TAX ORDINANCE TO INCLUDE A RESIDENTIAL LANDLORD BUSINESS LICENSE TAX AND TO CONFIRM THE EXISTING BUSINESS LICENSE TAX, WITH AN INCREASE IN THE MINIMUM TAX

The people of the City of Antioch do ordain as follows:

SECTION 1. BUSINESS LICENSING. The following sentence is added to the definition of "Business" in Section 3-1,102 of the Antioch Municipal Code:

"The rental or lease of real property is a Business subject to taxation under this chapter."

SECTION 2. RESIDENTIAL LANDLORD BUSINESS LICENSE TAX. The following provision is added to Chapter 1 of Title 3 of the Antioch Municipal Code to read as follows:

"Section 3-1,217 RESIDENTIAL LANDLORD

(A) In lieu of any other business license tax and subject to sub-section (B) below, all those in the business of renting living quarters, including but not limited to a rental dwelling unit as defined in Section 5-20.201 of the Antioch Municipal Code, shall pay the annual license amount indicated in the table immediately below based on the total number of units they are renting or have available for rent within the City of Antioch and the type of unit as defined in the Municipal Code:

Type Of Unit	Annual tax
Single family dwelling unit	\$250,00 per unit
Multi-family dwelling unit including duplexes, condominiums and apartments	\$150.00 per unit

- (B) The following living quarters are excepted from this requirement to pay a business license tax based on dwelling units but still must pay the tax based on gross receipts: (i) those that fit within the definition of hospital, hotel, motel, and convalescent and extended care facility and residential care facility as defined in Section 9-5.203 of the Antioch Municipal Code; (ii) those that are exempt as a matter of law; and (iii) those that the Director of Financial Services reasonably determines to be substantially similar in nature to one of the excepted living quarters listed above.
- (C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3. CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX ORDINANCE AND RATE. The business license tax provisions in Chapter 1 of Title 3 of the Antioch Municipal Code are hereby confirmed. Any

business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

From	То	Tax
\$0.00	\$20,000.00	\$100.00 (except for non-Professional Home Occupation businesses which shall pay \$25.00)
\$20,001.00	\$1,000,000.00	\$1,25 / \$1,000.00 of gross receipts
\$1,000,001.00 & above		\$1,250.00 plus 20 ¢ / thousand dollars of gross receipts over \$1,000,000.00

SECTION 4. AMENDMENT. This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment.

Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

SECTION 9. CERTIFICATION: PUBLICATION.

Upon approval by the voters, the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause it to be published according to law.

Ordinance No. ___was submitted to the People of the City of Antioch at the November 4, 2014 municipal election. It is hereby certified that this Ordinance was **APPROVED** by the following vote of the People of Antioch:

CIUDAD DE ANTIOCH, MIEMBRO DEL CONCEJO MUNICIPAL

LORI OGORCHOCK Empresaria Local

¡No cabe ninguna duda, me apasiona Antioch! Luego de graduarme en Antioch High, con Richard, mi esposo hace 31 años, criamos a nuestros 3 hijos aquí. Luego me gradué en la Academia de Reserva de la Policía de LMC y fui ex Agente de Policía de Reserva de Walnut Creek.

Doce años atrás me retiré de CSAA para dirigir mi propio negocio de Bienes Raices. Luego del trabajo le retribuyo a la comunidad que amo. Presidi el Consejo Escolar de la Escuela Primaria Sutter, varias luntas de béisbol juvenil, fútbol, ayudé a diseñar e instalar el Parque Municipal.

En el equipo de liderazgo de Keller Williams, organicé eventos cívicos, plantando jardines comunitarios y asistiendo a los Veteranos. Soy la Tesorera entrante de la Asociación de Agentes Inmobiliarios del Delta, futura Directora de la Asociación de Agentes Inmobiliarios de California, una Rotaria y la Presidenta entrante del comité Club Service.

Antioch fracasará si sigue inactiva. Debemos tomar al toro por las astas con un liderazgo vallente. Déjeme traer mi enfoque cándido de arremangarse las mangas a nuestro Concejo Municipal.

Mis Cuatro Metas Principales:

1. <u>¡La Seguridad de la Comunidad 1º</u>] Aseguraré que los fondos de la Medida C sean utilizados según lo prometido para la

de la Medida o sean unizados segun o promotos para la policía, lisa y llanamente

2. Revitalizar el Centro Urbano: Nuestros ciudadanos mayores merecen solo el mejor tratamiento, construir condominios donde debería haber un parque es simplemente una tontería

3. Gravar a los Negocios Razonablemente; simplificar los impliantos ser lustos

4. <u>Crecimiento Económico;</u> las actitudes favoreciendo la seguridad y los negocios estimularán nuestra ciudad y economía

Administrador de Colegio Comunitario

En 1981, nací en prisión por una madre adicta a la heroína. A los dos días de vida, fui colocado en el cuidado de acogida y criado por una familia de inmigrantes de México a EE. UU. Como resultado, mi primer idioma es el español. En 5º grado, fui colocado en Educación Especial y subsiguientemente me gradué en la escuela secundarla sin saber leer y escribir. Luego de dos semestres en la universidad menor, me pidieron que me retirara porque era analfabeto. Sin tener a dónde ir, me enlisté en la Marina de los EE. UU.

Hoy, soy un orgulloso veterano de la Marina de 8 años, graduado dos veces en la Universidad The George Washington, administrador de educación superior, y miembro de la Comisión de Desarrollo Económico de Antioch. Me postulo para el concejo municipal para crear oportunidades para que nuestros residentes construyan un sustento más seguro y un sentido de la dignidad. Elegi criar a mi familia en Antioch, pero lo que no elegi fue el delito violento, una tasa de desempleo local del 8%, y un desequilibrio entre los empleos y la vivienda.

Desde la crisis de las ejecuciones hipotecarias, muchos en Antioch han recurrido a tener de dos a tres empleos de medio tiempo, recibiendo a menudo bajos salarios para mantener sus hogares y llevar comida a la mesa. Como concejal, lucharé para promover políticas que:

Incentivarán el crecimiento de los empleos bien remunerados en manufactura, investigación y desarrollo y biotecnología;

Construirán las divisiones de policía y cumplimiento de códigos de Antloch; y, Simplificarán al gobierno para fomentar un entorno colaborador entre los negocios, la mano de obra y el Ayuntamiento. Le pido humildemente su voto.

La ciudad de Antioch está en un punto de crisis y el buen liderazgo requiere experiencia. Abajo están mis tres principales prioridades:

1. Contratar rápidamente empleados de seguridad pública y obtener "botas en el campo" adicionales, ¡Los agentes de policía, el personal de cumplimiento de códigos y de apoyo deben ser contratados ahoral

 Aumentar los servicios municipales al pueblo devolviendo la semana laboral de 40 horas a los empleados municipales.

TONY G. TISCARENO

Conceial Designado de Antioch

El año pasado, fui designado para ocupar la vacante en el Concejo Municipal de Antioch. Hace 44 años que resido en Antioch. Mi esposa, Olivia, y yo criamos a nuestros hijos aquí. Es mi gran honor representarlo.

Antioch tiene muchos desafíos que superar para convertirse en la gran cludad que sé que podemos ser. Lo más importante es lidiar con la delincuencia;

Contratar Was Policías: Estamos reclutando activamente agentes de policía EXPERIMENTADOS y capacitando a docenas más en la Academia de Policía. Estamos progresando, con la meta de tener 22 agentes adicionales en las calles.

Combatir las Pandillas, Drogas y Armas llegales: Si bien estamos contratando más agentes policiales, la Policía de Antioch y el FBI están trabajando horas extras para desmantelar PROACTIVAMENTE a los delincuentes ANTES de que participen en comportamientos violentos en contra de los ciudadanos. APOYO ESTE ESFUERZO CON TODO EL CORAZÓN.

Llevar la PREVENCIÓN DE DELITOS a Nuestras Propias Manos: Estoy orgulloso de nuestros residentes que participan en las limpiezas vecinales mensuales de la Policia de Antioch; participan de la Vigilancia Vecinal (tenemos 480 "Capitanes de Cuadra"); incluso nuestros recolectores de basura y trabajadores del correo ahora LLAMAN ANTE ACTIVIDADES SOSPECHOSAS EN EL VECINDARIO.

Contratar más agentes del orden para citar y multar a los propietarios negligentes, revitalizar RIVERTOWN, hacer al Ayuntamiento más "favorable para los negocios", y atraer un gran restaurante en Humphrey's - son prioridades también.

El hoy requiere un nuevo tipo de Concejal - uno que sea accesible 24/7. Por favor, liámeme en cualquier momento. Como su representante, seguiré trabajando duro para mejorar esta gran ciudad. Me sentiría honrado de obtener con su voto.

MEDIDAS LOCALES PRESENTADAS A LOS VOTANTES

Ciudad de Antioch

MEDIDA O DE LA CIUDAD DE ANTIOCH

IMPUESTO A LA LICENCIA COMERCIAL. Para brindar financiamiento que no pueda ser apoderado por el Estado, para mantener los servicios Municipales generales tales como los servicios policiales, el cumplimiento de los códigos, las reparaciones de calles, los servicios para ciudadanos mayores y los programas para jóvenes, ¿deberá la Ciudad de Antioch adoptar un impuesto a la licencia comercial sobre las propiedades residenciales basado en el tipo y la cantidad de unidades y confirmar los ingresos brutos del impuesto a la licencia comercial existente con un impuesto mínimo mayor, que no es un impuesto aplicado al pueblo en general

ANALISIS IMPARCIAL DE LA MEDIDA O POR EL ABOGADO DE LA CIUDAD

El Concejo Municipal votó unánimemente para colocar la Medida O en la balota para pedir a los votantes que:

- Confirmen que el alquiler de una propiedad inmueble (por ej.: un terreno o una construcción) es un negocio sujeto a gravamen;
- Apliquen un impuesto anual a las licencias comerciales sobre los propietarios residenciales que alquilen propiedades en Antioch a \$250 por unidad de vivienda unifamiliar independiente (por ej. una casa) y \$150 por unidad de vivienda multifamiliar conjunta (por ej.: un departamento); y
- Mantengan el impuesto a las licencias comerciales existente para todos los demás negocios, pero con un aumento en el impuesto mínimo anual de \$100 para los negocios sujetos a la fórmula impositiva de los ingresos brutos, excepto algunos negocios de alojamiento por los cuales el impuesto mínimo se mantiene en \$25.

Aplicabilidad de las Impuestos a las Licencias Comerciales

Los impuestos a las licencias comerciales no son impuestos sobre el pueblo en general. Los negocios que operen en Antioch pagan el impuesto para brindar financiamiento para los servicios municipales en Antioch. Estos servicios municipales, como policía, cumplimiento de los códigos, reparaciones de calles, palsajismo y mantenimiento de parques y líneas medias, benefician a los negocios y las residencias de Antioch.

Los propietarios de propiedades comerciales ya pagan los impuestos a las licencias comerciales basados en la fórmula de ingresos brutos existente. Del mismo modo, sus inquilinos comerciales pagan los impuestos a las licencias comerciales. Históricamente, la mayoría de los propietarios residenciales (uni y multifamiliares) no han pagado un impuesto a las licencias comerciales. El impuesto a las licencias comerciales por unidad de vivienda propuesto reemplazaría al impuesto a las

licencias comerciales sobre los ingresos brutos que algunos dueños de departamentos han pagado.

Las viviendas sin fines de lucro – Incluyendo las viviendas sin fines lucrativos para ciudadanos mayores — están exentas de pagar el impuesto a las licencias comerciales existente y estarían exentas de este impuesto propuesto.

Fórmulas del Impuesto a las Licencias Comerciales

Las ciudades pueden usar diferentes fórmulas para gravar distintos tipos de negocios. Esto puede incluir la utilización de tarifas planas en dólares para algunos negocios y un porcentaje de los ingresos brutos por otros tipos de negocios. A veces las ciudades usan una fórmula en particular porque es un método más eficiente de recaudación impositiva.

El impuesto propuesto sobre los propietarios residenciales solo se aplicaría a las propiedades ubicadas en Antioch. Esto cumple con los requisitos Constitucionales de ser imparcial y distribuido para no cargar al comercio interestatal.

Ingresos Generales para Todos los Servicios Municipales

Los ingresos provenientes del impuesto serían depositados en el fondo general de la Ciudad. Se podrían usar para cualquier propósito municipal legal incluyendo: policía y respuesta frente a emergencias; cumplimiento de los códigos; desarrollo de la economía local y creación de empleos; reparación de calles; y cualquier otro programa o servicio de la Ciudad.

Efecto de la Medida O

Votar "Si" en la Medida O es un voto para: 1) confirmar que el alquiler de una propiedad es un negocio sujeto a gravamen; 2) aplicar un impuesto anual a las licencias comerciales sobre los propietarios residenciales; y 3) mantener los impuestos a las licencias comerciales existentes para todos los demás negocios pero con un aumento del impuesto a las licencias comerciales mínimo para los negocios sujetos a la fórmula de ingresos brutos, con algunas excepciones.

Votar "No " en la Medida O es un voto en contra del impuesto a las licencias comerciales sobre los propietarios residenciales y al aumento del impuesto a las licencias comerciales.

Si la mayoría de los votantes votan "Sí" en la Medida O, esta se aprueba.

Respetuosamente,

Lynn Tracy Nerland, Abogada de la Ciudad de Antioch

ARGUMENTO A FAVOR DE LA MEDIDA O

La Ciudad de Antioch carece de ingresos para brindar los niveles adecuados de servicios municipales a la comunidad. Sufriendo los recortes de personal y de los gastos operativos del 30% desde 2007, todas las funciones del Fondo General están significativamente sub-dotadas de personal, incluyendo la Policía, el Cumplimiento de Códigos, Obras Públicas, Planificación, Construcción, y los departamentos administrativos. Como resultado, el departamento de policía, la oficina de obras públicas y el Ayuntamiento están todos cerrados los viernes.

Antioch no tiene un problema de gastos. Antioch tiene un problema de *ingresos*. Los bajos valores de las propiedades, los bajos ingresos provenientes del impuesto a la propiedad y del impuesto a las ventas le dan a Antioch ingresos al Fondo General mucho menores que las ciudades del Condado comparables en tamaño, a \$404.36 por residente (presupuesto 2014-15). En comparación, Concord recibe \$681.68 y Richmond, a \$1,255.75, recibe más del tríple de los ingresos de Antioch. Pittsburg y Brentwood reciben \$555.84 y \$817.35 respectivamente.

Un grupo de ciudadanos de Antioch comenzaron una iniciativa para ajustar el Impuesto a las Licencias Comerciales para los propietarios residenciales a \$240 por unidad por año. Luego de meses de negociaciones entre la Asociación de Departamentos de California, los líderes de la iniciativa de los ciudadanos y la Ciudad, la Ciudad propuso un cargo anual de \$250 por unidad para las casas separadas que se alquilen y \$150 por unidad para unidades de alquiler multifamiliares. Esto equivaldrá a \$20.83 por mes para las casas de alquiler y a \$12.50 por mes para los departamentos - aproximadamente el uno por ciento (.8% a 1.2%) de la renta bruta, que será pagado por los propietarios. Los ciudadanos estuvieron de acuerdo. La Asociación de Departamentos no.

Muchos inversores acaudalados que compraron casas en Antioch no han estado pagando el Impuesto a las Licencias Comerciales. Es hora de que lo hagan. Están haciendo millones en Antioch, mientras disfrutan de las ventajas impositivas de la inversión en bienes raíces. La Medida O asegurará que paguen la parte que les corresponde en Antioch. Después de todo, todos los propietarios se beneficiarán enormemente de los servicios adicionales que la Ciudad financiará con estos ingresos.

ÚNASE A LOS CIUDADANOS DE ANTIOCH PARA APOYAR A LA MEDIDA O.

Concejo Municipal de Antioch, Wade Harper, Alcalde de Antioch

Hansel Hon Tao Ho, Ex Comisionado de Prevención de Delitos

James Kenneth Gray Jr., Miembro de la Junta - Autoridad de Tránsito de Contra Costa Este

Donald P. Freitas, Ex Alcalde – Ciudad de Antioch Robin Agopian, Residente

ARGUMENTO EN CONTRA DE LA MEDIDA O

En junio, el Contra Costa Times informó que la Ciudad de Antioch tiene un superávit presupuestario según el propio Director de Finanzas de la Ciudad. Pero una vez más, el Concejo Municipal de Antioch está tratando de aumentar los impuestos a sus ciudadanos.

Y una vez más el Concejo Municipal ha propuesto una medida impositiva que evade el requisito del voto de los dos tercios, facilitando así aún más el aumento de los impuestos sin exigir a la Ciudad que revele de qué manera se gastará el dinero,

El año pasado, los votantes de Antioch apoyaron un aumento masivo de impuestos — la Medida C. El Concejo Municipal declaró (falsamente) que el dinero sería utilizado para contratar 22 agentes de policía nuevos. Pero el Contra Costa Times reveló que el dinero de la Medida C nunca se utilizó para contratar 22 agentes de policía nuevos; y otro informe periodístico declaró que los votantes de Antioch estaban siendo "embaucados sobre el uso de los fondos de la Medida C".

¡Con la Medida O, el Concejo Municipal está tratando de aprovecharse de los votantes otra vez!

- Muchos ciudadanos mayores en última instancia pagarán el impuesto de la Medida O.
- No existe absolutamente ninguna garantía de cómo se gastará el dinero de la Medida O.
- El Director de Finanzas de Antioch dijo que la Ciudad tiene un superávit presupuestario.

Es irresponsable que el Concejo Municipal aumente los impuestos dando como resultado costos más altos para los ciudadanos mayores — muchos que viven de sus ingresos fijos y son ancianos — y con la menor capacidad para afrontar el aumento de los pagos mensuales.

El Concejo Municipal debería simplemente confiar en los votantes y brindar un plan de gastos detallado cuando pide nuevos impuestos. Pero en cambio, el Concejo Municipal está pidiendo otro cheque en blanco, y usando una campaña de amedrentamiento para influenciar a los votantes desprevenidos.

Entonces si el Concejo Municipal no va a confiar en los votantes, ¿por qué deberíamos confiar en el Concejo Municipal con otro aumento impositivo más? Por favor, únase a los ciudadanos mayores, los propietarios de viviendas y los propietarios de negocios en Votar NO en la Medida O.

SECCIÓN 4. ENMIENDA. Esta Ordenanza puede ser revocada o enmendada por el Concejo Municipal sin el voto del Pueblo excepto lo siguiente: según lo requerido por el Artículo XIIIC de la Constitución de California, toda enmienda que aumente el monto o la tasa del impuesto por encima de los niveles autorizados por esta Ordenanza no puede entrar en vigencia a menos que sea aprobada por el voto del Pueblo. El Concejo Municipal puede aplicar el impuesto por cualquier monto o tasa que no exceda la tasa aprobada por los votantes de la Ciudad.

SECCIÓN 5. MEDIDA DE INGRESOS. El impuesto adoptado por esta Ordenanza es aprobado únicamente para recaudar ingresos con propósitos municipales y no

está destinado para fines regulatorios. El Pueblo de la Ciudad determina que el impuesto es un impuesto general apropiado con el fin de recaudar ingresos. Los ingresos provenientes del impuesto serán depositados en el fondo general de la Ciudad y estarán disponibles para cualquier propósito municipal legítimo. Esta Ordenanza en sí misma no autoriza la realización de algún negocio o actividad en la Ciudad, sino que simplemente establece el gravamen de dichos negocios o actividades.

SECCIÓN 6. DIVISIBILIDAD. Si alguna disposición de esta ordenanza o su aplicación a alguna persona o circunstancia es considerada inválida, el resto de esta ordenanza y la aplicación de dicha disposición a otras personas o circunstancias no resultarán afectados por dicha invalidez. Los votantes de la Ciudad por el presente declaran que habrían adoptado esta Ordenanza y cada parte de la misma independientemente del hecho que la Ordenanza contuviera una parte o más partes inválida(s).

SECCIÓN 7. LEY DE CALIDAD AMBIENTAL DE CALIFORNIA (CEGA). Este impuesto a las licencias comerciales que será presentado a los votantes es un impuesto general que puede ser utilizado para cualquier fin legítimo del gobierno. Como tal, bajo la sección 15378(b)(4) de las Pautas de CEQA, el impuesto no es un proyecto dentro del significado de CEQA porque crea un mecanismo de financiamiento del gobierno que no implica ningún compromiso con un proyecto específico que pueda generar un impacto físico potencialmente significativo en el medioambiente. Por lo tanto, según la sección 15060 de las Pautas CEQA, no se requiere la revisión de CEQA.

SECCIÓN 8. FECHA DE ENTRADA EN VIGENCIA. Esta ordenanza se relaciona con la aplicación y recaudación del impuesto a las licencias comerciales de la Ciudad y no entrará en vigencia hasta diez días después de la certificación de su aprobación por la mayoría de los votantes que votan en la elección municipal general que se realizará el 4 de noviembre de 2014 de conformidad con la sección 9217 del Código Electoral

Multi-family dwelling unit including duplexes, condominiums and apartments	\$150.00 per unit

- (B) The following living quarters are excepted from this requirement to pay a business license tax based on dwelling units but still must pay the tax based on gross receipts: (i) those that fit within the definition of hospital, hotel, motel, and convalescent and extended care facility and residential care facility as defined in Section 9-5.203 of the Antioch Municipal Code; (ii) those that are exempt as a matter of law; and (iii) those that the Director of Financial Services reasonably determines to be substantially similar in nature to one of the excepted living quarters listed above.
- (C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3. CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX

ORDINANCE AND RATE. The business license tax provisions in Chapter 1 of Title 3 of the Antioch Municipal Code are hereby confirmed. Any business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

From	То	Tax

\$20,001.00	\$1,000,000.00	\$1.25 / \$1,000.00 of gross receipts
\$1,000,001.00 & above		\$1,250.00 plus 20 ¢ / thousand dollars of gross receipts over \$1,000,000.00

SECTION 4. AMENDMENT. This Ordinance may be repealed or amended by the City Council without a vote of the People except as follows: as required by Article XIIIC of the California Constitution, any amendment that increases the amount or rate of tax beyond the levels authorized by this Ordinance may not take effect unless approved by a vote of the People. The City Council may impose the tax in any amount or rate which does not exceed the rate approved by the voters of the City.

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. Proceeds of the tax will be deposited in the general fund of the City and will be available for any lawful municipal purpose. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

SECTION 9. CERTIFICATION; PUBLICATION. Upon approval by the voters, the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause it to be published according to law.

I. BACKGROUND

The City of Antioch was incorporated in 1872 as a general law city operating under the City Council/City Manager form of government. Antioch is a suburban city providing quality police, water, streets, parks, engineering, planning, and administrative services. The City has approximately 285 employees and an annual operating budget in excess of \$124 million.

The City has approximately 3,200 active business licenses, with a fiscal year 2015 budget of \$1,111,000 in business license tax revenue. In November 2014, Antioch voters approved Measure O, an update to the City's existing business license tax. Specifically, Measure O imposes an annual business license tax on residential landlords on the rental or leasing of detached single family dwelling units at \$250.00 per dwelling unit and attached multi-family dwelling units at \$150.00 per dwelling unit. The minimum tax for those businesses subject to the gross receipts tax formula, except for certain home occupation businesses, will be increased to \$100. Measure O became effective December 9, 2014. The ordinance language of Measure O can be found in Exhibit A to the RFP.

Section 1, Chapter 1 of Title 3 of the City's Municipal Code governs the City's business licenses and associated tax. The Municipal Code Chapter can be found at http://www.amlegal.com/antioch_ca/.

The City will endeavor to administer the proposal process in accordance with the terms and dates outlined in this RFP, however, the City reserves the right to modify the activities, time line, or any other aspect of the process at any time, as deemed necessary. By requesting proposals, the City is in no way obligated to award a contract or pay the expenses of proposing vendors in connection with the preparation or submission of a proposal. The award of any contract shall be contingent on the requisite staff and Council approvals if required. Determination of best value to the City shall be based upon, but not limited to, the following considerations: cost; the ability, capacity, and skill of the proposer to provide the services; the ability of the provider to deliver timely services; the character, integrity, reputation, judgment, experience, and efficiency of the provider. No single factor will determine the final award decision. Please describe all other services that may be used in the determination for award of bid.

II. QUALIFYING REQUIREMENTS

The intent of this RFP is to identify a firm that can offer the highest quality of service at the lowest overall cost to the City of Antioch. The City desires fixed pricing for the four-year contract period.

(C) The Director of Financial Services may promulgate policies and procedures to administer this tax.

SECTION 3. CONFIRMATION OF THE EXISTING BUSINESS LICENSE TAX ORDINANCE AND RATE. The business license tax provisions in Chapter 1 of Title 3 of the Antioch Municipal Code are hereby confirmed. Any business not specifically enumerated in Chapter 1 of Title 3 of the Antioch Municipal Code, which the City may tax, shall pay a business license tax according to the average annual gross receipts as defined according to the existing formula in Section 3-1.201 of the Antioch Municipal Code, with the exception that the minimum tax is raised to \$100.00, except for Home Occupation Businesses as defined in Title 9 that are not "Professionals" as defined in Title 3, as to whom the minimum tax shall remain \$25.00:

SECTION 5. REVENUE MEASURE. The tax adopted by this Ordinance is enacted solely to raise revenue for municipal purposes and is not intended for the purpose of regulation. The People of the City determine the tax to be an appropriate general tax for the purpose of raising revenue. This Ordinance does not, in itself, authorize the conduct of any business or activity in the City, but merely provides for the taxation of such businesses or activities.

SECTION 6. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. The voters of the City hereby declare that they would have adopted this Ordinance and each portion thereof regardless of the fact that an invalid portion or portions may have been present in the Ordinance.

SECTION 7. CEQA. This business license tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant impact on the environment. Therefore, under CEQA Guidelines section 15060, review under CEQA is not required.

SECTION 8. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City's business license tax and shall not take effect until ten days after the certification of its approval by the majority of the voters voting at the general municipal election to be held on November 4, 2014 pursuant to Elections Code section 9217

STAFF REPORT TO THE CITY COUNCIL

DATE:

Regular Meeting of February 24, 2015

TO:

Honorable Mayor and Members of the City Council

SUBMITTED BY:

Dawn Merchant, Finance Director

SUBJECT:

Business License Discovery/Recovery Contract

RECOMMENDED ACTION

It is recommended that the City Council approve entering into a contract for business license discovery/recovery services with MuniServices for a two year term, with the option to renew for an additional two years. The fee is on a contingency basis and will be 32.5% of new revenues generated directly by MuniServices. The fee will apply to revenues for the current tax year, all eligible prior period revenues and any applicable penalties, interest and late charges.

STRATEGIC PURPOSE

This action is essential to Strategy L-4 in the Strategic Plan: "Implement City Council policies and direction," as well as Strategy N-2: "Ensure the City achieves long-term fiscal sustainability." The City Council placed Measure O on the ballot to generate additional revenues for the City's General Fund by instituting a residential landlord tax and raising the minimum business license tax. Measure O aids the City in achieving long-term fiscal sustainability. Council further directed that a Business License Representative and outside discovery/recovery firm be hired. It is important to have tools in place to ensure the City is implementing Measure O and collecting all revenues entitled to achieve the maximum financial impact.

FISCAL IMPACT

The cost of this contract will fluctuate depending on the new revenues generated by MuniServices under the scope of work. The fixed contingent fee will be 32.5% of new revenues collected. For example, \$400,000 in new revenue would equate to \$130,000 in fees. Should the company assist in discovery of rental units under Measure O, \$2,000,000 in new revenue would equate to \$650,000. The fees will be paid out of the new revenue generated and will not be paid from any other General Fund sources or reserves.

DISCUSSION

On December 31, 2014 the City issued Request for Proposal No. 946-1231-15F for business license discovery/recovery services. Bids were due January 29, 2015. Three bids were received. Interviews of two finalists were conducted on February 9, 2015 by a panel of staff members. After careful review of proposals submitted and the results of the interview process, City staff is recommending that the contract be awarded to

MuniServices for a two year term, with the option to renew for another two years. Staff feels that MuniServices qualifications and services that can be provided are best suited for the City's needs. In addition, MuniServices currently provides the City with sales tax services and therefore has a strong working relationship with the City.

MuniServices will provide local tax compliance discovery and audit to assist the City in identifying businesses that are conducting business in the City but are not currently licensed. As part of this, MuniServices will work directly with the business to achieve compliance and explain the City's Municipal Code and policies. MuniServices can also provide deficiency audit services to identify businesses that may not be paying the full amount of tax to which they are subject to under the ordinance.

Specific Approach and Methodology - Scope of Work

Local Tax Compliance Discovery and Audit

The objective is to assist the City in identifying businesses that are conducting business in City and are not registered with the City. MuniServices Local Tax Compliance ("LTC") Services include identifying any person engaged in or carrying on any profession, trade, calling, occupation or business within the City that are not registered with the City to ensure that the business is properly registered and has made all appropriate payments to the City.

The LTC service to be contracted for will not replace or duplicate the current tax discovery and collections efforts undertaken by the City's employees. Our LTC Services are intended to complement the current efforts by brining to the City more sophisticated technology, data and door-to-door investigations that may not presently be available to the City.

Program Objectives and Methods

Our LTC service is designed to assist the City in locating tax revenue that the City may not be receiving from its local tax registry MuniServices provides detection, documentation and correction of errors and omissions causing deficiencies thereby producing new revenue that would not otherwise have been realized by the City. Moreover, our team of 12 full-time, local tax compliance employees works in full and collaborative partnership with City revenue staff to supplement the operations and procedures currently in place.

The LTC service also aims to reduce future errors by informing the businesses that are identified as having errors or omissions about the proper methods of compliance informing business owners of the requirements of the ordinance helps to prevent future mistakes by businesses making future enforcement efforts by the City less burdensome for the City.

Local Tax Discovery Services

Local Tax Discovery Services are designed to provide a full service solution to City's business license enforcement procedures. It does not replace current functions, but provides a focused and full-time solution to the identification of entities subject to taxation by the City, which are not properly registered, or otherwise not reporting taxes to the City. In performing the Discovery Services, MuniServices will:

- 1. Establish a comprehensive inventory of the entities subject to taxation by the City and the database elements needed to facilitate a comprehensive comparative analysis with the City's records of those entities that are properly registered;
- 2. Compare MuniServices' database of business records with the City's records to identify potential non-reporting and non-registered entities subject to taxation;
- For each unregistered or non-reporting entities identified and confirmed, assist the
 entities, as necessary, to complete the City's applicable registration form(s) and
 determine the amount of tax due for current and prior periods (plus applicable interest

- 9. Educate entities regarding the City's reporting requirements to prevent recurring deficiencies in future years;
- 10. Contact personnel in sales, operations and/or tax accounting at each target business to determine whether a business license fee is due, when necessary and appropriate. This is accomplished with the highest regard to discretion and professional conduct. MuniServices' LTC audits are predicated on a non-controversial, constructive public relations approach that emphasizes the importance of each business to the City and the mutual benefits of correcting non-reporting errors;

RE: RESIDENTIAL LANDLORD BUSINESS LICENSE REQUIREMENTS

Dear Sir/Madam:

In November 2014, Antioch voters approved Measure O, an update to the City's existing business license tax. Specifically, Measure O imposes an annual business license tax on residential landlords on the rental or leasing of detached single family dwelling units at \$250.00 per dwelling unit and attached multi-family dwelling units at \$150.00 per dwelling unit. Measure O became effective December 9, 2014.

It has come to our attention that you own rental property within the City of Antioch. For any rental properties located within the City, you must obtain a business license in order to comply with the City's Municipal Code.

For your convenience, an application and return envelope are enclosed. Please complete the enclosed application, listing **all** rental properties owned within the City, with applicable taxes and fees due. Please note that there is a \$30 application fee and \$1 state mandated fee due in addition to the Measure O tax, as listed above, with the application. Please note that only one \$30 application fee is due regardless of the number of properties/units listed on the application. For detached single family dwelling units, a separate business license will be issued for each location.

Each new application (not renewal) submitted in the future will require an application fee for those additional properties listed that are being licensed.

Thank you for your prompt attention to this matter. If you have already complied with the requirements and have received your business license certificate disregard this letter and we THANK YOU for your compliance. Should you have any questions, please do not hesitate to contact our business license department at (925) 779-7059.

Sincerely,

Business License Department

CITY OF ANTIOCH ADMINISTRATIVE BOARD OF APPEALS

General Information for Persons Appealing Citations

The Administrative Board of Appeals is comprised of five Antioch residents, who are appointed by the Mayor and have volunteered their time to hear your appeal. The Board Members do not receive monetary compensation for their time and they are not employees of the City. They do not make or control the law. They are hearing officers who will review your appeal because you have requested the City do so. As the person making the appeal (the appellant) please keep in mind the below:

Schedule of Hearing:

- When an appeal is requested, it is typically scheduled for the first Thursday of every month.
- You will receive written notice of the date and time of the appeal hearing from the City Clerk's office 10 days after you file your appeal.
- The Agenda and Staff Reports will be posted onto our City's Website 72 hours before the Board of Administrative Appeals Hearing date. To view the Agenda information, click on the following link and then double click 'Board of Administrative Appeals': http://www.ci.antioch.ca.us/CityGov/agendas/. Other locations to view the Agenda are the City Council Chambers front window, City Clerk's Office, Antioch Branch Library, Senior Center on 2nd Street, and the Antioch Community Center on Lone Tree Way.

When You Don't Show For Your Hearing:

If you do not appear at the hearing time and date you have been notified of, and unless you have provided the City Clerk forty-eight (48) hour notice before the hearing that you are requesting a postponement, your appeal will be heard without you being there.

How You Will Act At Your Appeal Hearing:

- You and anyone else who is attending the appeal at your request will maintain a respectful attitude at all times,
- If you or anyone else does not maintain a respectful attitude, you may be asked to leave the hearing by the Board Chairperson.
- Your appeal is not an opportunity to debate or argue with City staff or Board members. Any questions should be directed to the Board Chairperson.
- When you speak, you should talk about the reasons why you feel the citation was wrongfully issued.

How The Appeal Hearing Will Go:

- The Board will read your item of appeal from its Agenda.
- The Board will then ask City staff to present an oral report with regard to your citation. The Board may ask questions of City staff after the oral report. This oral report will be for five (5) minutes.
- After staff has provided its report, and the Board is finished with its questions of staff, you will then be called to the podium to speak. Please come up and speak at the podium, not from the audience.
- You will have **five (5) minutes** to present the reasons why you are appealing the citation.
- Any other additional persons who may oppose or support your appeal can fill out speaker cards and speak for **three (3) minutes**.
- The Board may then ask City staff for a rebuttal to the statements you or others made in support or opposition of your appeal. This rebuttal is only for **three (3) minutes**.
- Then the hearing is completed and the Board will then issue its ruling on your appeal.

Your Burden:

- It is your appeal and therefore you bear the burden to prove that the citation was wrongfully issued.
- To win your appeal, you must have a majority of the Board uphold your appeal (3 of 5, or 2 of 3).
- If the Board determines there was in fact good reason to issue the citation, your appeal will be denied and the citation amount that you deposited to have your appeal will not be refunded.

How The Board Will Rule:

The Board can only rule one of two ways:

- To uphold your appeal and dismiss the citation.
- To deny your appeal and uphold the citation.

Written Findings and Order:

- The Board will render their findings and recommendations after the hearing is concluded or as soon as possible.
- You will be mailed the written decision of hearing within ten (10) days of the hearing.
- The decision of the Board is the final ruling on your appeal from the City.

ORDER: You are ordered to immediately cease the commission of the Municipal Code violation(s) listed on the reverse of this Administrative Citation.

ADMINISTRATIVE CITATION: Pursuant to Section 1-2.01(E) of the Antioch Municipal Code, each day the violation continues is a separate and distinct offense and subject to additional citations. Fines per each count of the Antioch Municipal Code Section violated are as follows: first Citation \$100.00, second Citation \$200.00, third and subsequent Citations \$500.00. Notwithstanding the above violations of local building and safety codes are punishable by fines of \$500 for second Citation and \$1,000 for third and subsequent Citations.

RIGHTS OF APPEAL: You have the right to contest this Administrative Citation at a public hearing before an "Administrative Review Panel" ("ARP"). To request a hearing, you must pay an advance deposit in the full amount of the fine and submit that amount with the written appeal either by mail to the City Clerk, P.O. Box 5007, Antioch, CA 94531-5007, or in person to the City Clerk's office at City Hall, 200 H Street, Antioch, within ten (10) days from the date of the Administrative Citation. A properly filed appeal will result in written notification of the date and time set for your hearing. Failure to appear at your hearing will constitute a failure to exhaust your administrative remedies. Any person who request an appeal of an administrative citation and is unable to make the advance deposit of the fine required under AMC § 1-5.05(B) may file an advance deposit hardship waiver application. Applications may be obtained from the City Clerk's Office at the above address and must be submitted with the appeal request.

HOW TO PAY FINE: The amount of the Administrative Fine(s) is listed on the reverse of this Administrative Citation and must be paid to the City of Antioch within ten (10) days from the date of this Citation. Unless you have requested a hearing to appeal the Administrative Citation, you will be subject to the imposition of a ten percent (10%) late payment penalty if the Administrative Fine(s) is not paid. Payment of Administrative Fine(s) does not permit any continuation of repeated occurrence of the Municipal Code violation(s) listed on this Administrative Citation.

CONSEQUENCES OF FAILURE TO PAY FINE(S): The City will collect any unpaid Administrative Citation fines or late payment charges by use of all available legal means, including, but not limited to, those means available for the collection of judgments, special assessment liens on real property and all actions for recovery of money. The City has the authority to collect all costs and attorney fees associated with the filling of such actions.

RIGHT TO JUDICIAL REVIEW: Any person aggrieved by an administrative decision of the ARP on an Administrative Citation may obtain review of the administrative decision by filing a petition for review with the Superior Court in Contra Costa County in accordance with the timeline and provisions set forth in California Government code Section 53069.4.
